

## **Price Guide**

Cakes generally start from about €60.00 for an 8" round cake in a simple design, but as each cake is different an exact price cannot be given until the size, the flavour and how much detail is required for the cake.

Sculpted and 3D cakes are priced on an individual basis, but generally start from €100.00

Tiered cakes and Wedding cakes vary in price depending on the requirements, but as a guide, a 3 tiered cake would start at €300.00. It is recommended that you book a consultation if looking for a wedding cake.

Standard cupcakes on the flavours page are €2.00 each. Party cupcakes, themed or with messages are €2.50 each. The minimum order for a party box is 12 cupcakes. And the minimum flavours within 12 cupcakes is one flavour.

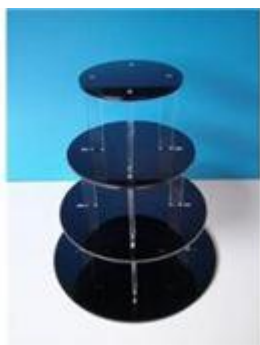

For Mini cupcakes the minimum order is 24 of the one flavour and they are €1.50 each, these cannot be themed but do come with a small decoration.

For Celebration Cakes it is advisable to order at least 1 month in advance. Wedding Cakes need to be booked 3 months in advance. Cupcakes can be ordered giving 1-2 weeks notice.
