English Sparkling Wine

			Glass	Bottle
Chapel Down Vintage Reserve Brut, NV	12.0%	Tenterden, Kent		45
From the renowned Tenterden vineyard in Kent, this bottle is an exceptionally approachable style with a lively refreshing mousse, good depth, crisp fruit and a palate with attractive yeast overtones				
Nyetimber Classic Cuvee, 2004	12.0%	Chiltington, West Sussex		50
This entry-level Nyetimber is anything but entry-level in taste, structure and balance. A blend of Chardonnay, Pinot Noir and Pinot Meunier grapes, this sparkling wine shows a pale golden hue with notes of pastry, lemon and peach combined with gently spiralling bubbles				
Nyetimber Blanc de Blancs, 2003	12.0%	Chiltington, West Sussex	11	52
A truly exceptional sparkling wine that in a recent tasting comparison with Ruinart and other grand marques was declared a wonderful 'champagne' and one of the finest examples of 100% Chardonnay wine making. When revealed as an English sparkling wine, cue much embarrassment from the French contingent! Shows the hallmark characteristics of creamy vanilla, toast and roasted nuts				
Nyetimber Rose, 2007	12.0%	Chiltington, West Sussex		64
Made using the classic trio of Chardonnay, Pinot Noir and Pinot Meunier, this sparkling wine shows a wonderfully toasty strawberry nose and a fabulous mouth feel with a dense tannic structure that gives way to a admirably well-controlled finish				

Champagne

			Glass	Bottle
Taittinger Brut Reserve, NV	12.0%	France	12	55
<p>Made with a predominance of Chardonnay, this has an intensely fragrant character and is a unique non-vintage style. The flavour is delicate and the finish complex and long</p>				
Taittinger Prestige Brut Rose, NV	12.0%	France	14	65
<p>Made using mainly black grapes, about 13% of which is vinified red to give the wine colour and with approximately 33% Chardonnay in the blend to achieve the elegance which is in keeping with the Taittinger style. A beautiful and delicate salmon-pink colour with flavours redolent of ripe red berry summer fruits</p>				
Taittinger Brut Vintage, 2004	12.0%	France	16	75
<p>A rich, full-flavoured yet intensely elegant Champagne using the classic Pinot Noir and Chardonnay grapes from a superb vintage. Dry with crisp, ripe acidity and a long lingering finish</p>				
Ruinart Blanc de Blancs, NV	12.5%	France		80
<p>From a Champagne house with a long and distinguished history dating back to 1729. Luminous pale gold with fine, light, long-lasting bubbles. Elegant, reflecting fresh citrus fruits, white flowers and peach on the nose. The Champagne evolves in the mouth, fluctuating between freshness, suppleness and fullness. An exceptional style</p>				
Ruinart Rose, NV	12.5%	France		85

Champagne

			Bottle
Bollinger Grand Annee, 2000	12.0%	France	120
<p>An exceptionally fine, dry vintage Champagne with both power and finesse. It has a complex, toasty richness derived from cask fermentation and only the first pressed juice of the grapes is used in its production. The blend is heavily Pinot Noir dominated and it is this that gives the Champagne such presence on the palate</p>			
Dom Perignon Brut, 2003	12.5%	France	175
<p>This luxury cuvee of Moet & Chandon is released only when fully mature and produced in only the best years. Made from equal proportions of Pinot Noir and Chardonnay, this Champagne is a superbly fat and ripe wine with enormous breadth and depth. The long maturation in the bottle, whilst still on the lees, ensures great depth of yeasty character known as 'autolysis'. Once disgorged and released in its distinctive antique bottle, Dom Perignon continues to gain character and complexity with a backbone of power and a beautiful finish</p>			
Taittinger Comtes de Champagne Blanc de Blancs Brut, 1998	12.0%	France	160
<p>A Champagne of legendary quality made using only the finest Chardonnay grapes in exceptional years. Delicate yet at the same time superbly balanced with an immense finish</p>			
Taittinger Comtes de Champagne Brut Rose, 2004	12.0%	France	250
<p>A superb and rare Champagne with a beautiful salmon-pink colour and a ripe, buttery palate. The natural elegance of the Chardonnay is matched by the richness of the Pinot Noir to produce a magnificent mouth feel</p>			

Champagne

			Bottle
Krug Grand Cuvee, NV	12.0%	France	190
<p>Krug remains at the very summit of the Champagne-making art, producing each year the most outstanding wines with no concession to commercial pressures. It is a heavily Pinot-dominated blend still using wines fermented in oak barrels, bottle-aged for six years and contains up to 35% of reserve wines. Krug prefer to look on this wine as a 'multi-vintage' blend with wines coming on average from between eight vintage years. The sheer complexity of this Champagne suggests far more than a 'mere' non-vintage</p>			
Bollinger RD, 1999	12.0%	France	230
<p>An exceptional champagne with the RD designation meaning "Recently Disgorged". Bollinger RD is a Grand Annee that has spent at least eight years in the Bollinger cellar, allowing a slower maturation period that gives this champagne much greater complexity and an outstanding freshness. The 1999 is a truly marvellous year and extremely sought after</p>			
Krug Brut, 1998	12.0%	France	290
<p>Made to their time-honoured and totally uncompromising standards, this is an absolutely outrageous Champagne. Hugely rich with notes of pastry dough, toast, nuts and white fleshy fruits such as peach, pears and apples. The finish is honeyed with more than a hint of lemon tart and shows incredible length and complexity</p>
