Festive Afternoon Teas

Tides Reach

A festive afternoon tea is a real treat after a busy day spent in a whirl of Christmas present shopping. Take a couple of hours out to just stop, relax and share an indulgent treat with a friend.

Our cream teas and full afternoon teas are a homemade and beautifully presented selection of festive

fancies, mince pies, sandwiches, cakes and scones. Why not add a glass of Champagne or mulled wine to really get you in the Christmas spirit.

Afternoon tea is served in the lounges at all our hotels – put your feet up in front of a roaring fire, banish the winter chill and tuck in!

Eden Hotel Collection are proud to announce a £12 million investment in South Sands, Salcombe following the recent purchase of the 35 bedroom Tides Reach and we are excited to share our plans for this new chapter in the life of the hotel.

As regular guests of Tides Reach will know, the hotel has sat under the ownership of the Edwards family for many years, with three generations of the family investing their lives in building the reputation of the hotel. The Edwards family have confidently handed over a wonderful legacy of happy guests and excellent customer service, which Eden Hotel Collection is proud to take on.

The Eden Hotel Collection continues the family feel for Tides Reach, being part of The Rigby Family Group who were recently named 'UK Family Business of the Year' at the Private Business Awards 2013.

We are excited to be part of the future of Tides Reach and to take the hotel into a new generation whilst still holding dear the values that the Edwards family put in place.

The hotel will remain closed while an extensive redevelopment takes place to create a 50 bedroom property on the existing plot. The new waterfront hotel, complete with spa, private beach and an extensive terrace with sea views, will offer high quality and contemporary dining and luxury stays on this beautiful section of British coastline.

The new developments at Tides Reach will present a variety of opportunities to be involved. We would welcome approaches from local companies who would like to work with us throughout the construction phases of the hotel, as well as suppliers who want to work with us when we are up and running.

Christmas is our Business

With state of the art conference facilities and award-winning cuisine, we can offer a stylish setting for all your business requirements this Christmas. Our black tie dinners, themed social events and cocktail evenings provide the perfect opportunity to impress clients and business partners.

Book a meeting in December and soak up the atmosphere with elegant Christmas decorations and the tantalizing aroma of festive fare being cooked to perfection in our kitchens.

Enjoy a pre-Christmas lunch as part of your meeting package, or start the festivities once your working day is over by joining one of our party nights when you can wrap up your business, treat the team to a glass of Champagne in the bar and then join other diners for a night of festivities.

Eden Hotel Collection has a choice of beautiful private dining options across the group, perfect for a team dinner to celebrate the end of the year and the run up to Christmas. Smaller tables can also be accommodated in our Brasseries and restaurants.

If, like us, the run up to Christmas is so busy you don't have a minute to stop and celebrate, why not hold a post-Christmas celebration? We offer excellent rates in January for your staff Christmas party.

Call individual hotels for bespoke delegate rates or to enquire about private dining and Christmas party options.
