First Aid and the Law

1 day level 2 First Aid Risk Assessment: Policy & Practice FREE (£30 +VAT to sit exam)

Course covers everything you need to know about the new First Aid Regs, makes writing a compliant First Aid Risk Assessment quick and easy and you'll have time to complete it on the day.

It is suitable for those responsible for writing a First Aid Risk Assessment, those advising on Health & Safety in the Workplace and those responsible for authorising Health and Safety spending.

First Aid courses

3 day level 3 First Aid at Work £265/ head +VAT For full competence in first aid (e.g. most delegates achieve CPR skills above 80% perfect)

2 day level 3 First Aid at Work Refresher £205/ head +VAT Must have a previous FAW & Must have retained a good level of knowledge & skill in first aid

1 day level 2 Emergency First Aid at Work £120/ head +VAT For small employers/ loan workers/ extra first aiders/ designated persons Also the first day of the 2 & 3 day course – it can be upgraded if completed in 10 weeks so why not put more through the 1 day course and put your best through the other 2 days?

1 day no qual First Aid Refresher £ 80/ head +VAT You now have to ensure that your first aiders 'remain competent'. If their only training is once every 3 years it is understood that they are not. The HSE recommend that you renew skills & update knowledge annually

Specialist First Aid course

2 day level 2 Activity First Aid £205/ head +VAT (minimum 5 delegates)
Suitable for events, drama or sports groups

Paediatric First Aid courses

2 day level 3 Paediatric First Aid £205/ head +VAT (minimum 5 delegates) As required by Early Years Foundation Stage (EYFS) & Ofstead Competency in all aspects of Paediatric First Aid
