

Situated in the heart of Montagu, which was voted South Africa's favourite village by 2,600,000 people, the main house is adorned by a proliferation of original art work given added warmth from the Oregon pine and reed ceilings which look down onto yellowwood tables set on red tiled floors.

Our suites are charmingly decorated with Turning Leaves embroidered cotton percale linen, original art, tea and coffee trays, fridges, safes, hairdryers and fresh flowers from our magnificent gardens as well as free Wi-Fi. There is secure off-street parking for all rooms.
