Our double kayaks are very stable and perfect for those with no paddling experience. By far our most popular trip.

During the **whale season** from July to October there is a great chance of seeing whales as well. Dolphins and seals all year round.

Our Sea kayaking adventure allows us to explore wildlife and nature up close.

Whether your interest is wildlife, sea kayaking, or exploration, enjoy your adventure with Dolphin Adventures. Sea kayaking is the way to get away from the crowds and offers the opportunity to see Plett's wildlife up close.

All kayak gear is provided and safe lock up facilities for your valuables.

Eco-tourism means seeking out wild and scenic areas (like our mother ocean) for active and educational tours that benefit the visitor, the environment and the people who live in the area... And that makes Dolphin Adventures perfect Eco tourism
