LAZY COW DESSERT SHOTS

We have taken our inspiration from NYC and blended this with innovation, flair and passion from our pastry chef to create the TLC desert shots. They are a first for us, but we think you'll agree it's already a winning formula. Perfect to share, perfect for a party, perfect for self-indulgence.

Just remember . . . you saw them here first.

We suggest you mix and match as many or a little as you like . . . spoons at the ready and bring on the shooters!
