

Prices and our policy

For years John and I rented cottages. We have tried to take ideas from the best of them by equipping Rose Cottage with gadgets to make life easier on holiday (such as providing linen as well as, amongst other 'labour savers'-a slow-cooker, dishwasher, washing machine and tumble drier)

Most particularly we wanted to make it affordable; we do not for example put the prices up for school holidays.

We will continue to do this for as long as we are able.

From 3pm £200-£300 per week + £50
Saturday to returnable deposit
10am Saturday

Shorter breaks by arrangement.

The above price includes linen. We would be grateful if you brought your own towels.

Please contact [John or Marje Rickerby](#) for more information on the availability of the cottage, and to arrange your stay.
