

Prices and our policy

For years John and I rented cottages. We have tried to take ideas from the best of them by equipping Rose Cottage with gadgets to make life easier on holiday (such as providing linen as well as, amongst other 'labour savers'-a slow-cooker, dishwasher, washing machine and tumble drier)

From 3pm £250-£455 per week + £50
Saturday to returnable deposit

Shorter breaks by arrangement.

The above price includes linen. We would be grateful if you brought your own towels.
