Rare Vintages

Krug Clos du Mesnil 1996

£700.00

Krug Clos du Mesnil is the one exception to the Krug rule of blending, since it is the product, not merely of a single grape variety and a single year, but of a single historic vineyard. In this enchanting Champagne, the purity of Chardonnay and the mineral aromas of the terroir are balanced by a discreet yet distinctive taste of honey, which is a particular characteristic of Krug Clos du Mesnil.

Bollinger Vieilles Vignes Françaises Blanc de Noirs 2000

£600.00

This pure pinot noir wine is an absolute rarity, a testament to viticultural traditions of the XIX century. An excellent vintage cuvée with a meaty-biscuity, richness of that variety presented in an intense, evocative, very linear and defined fashion.

Dom Pérignon Œnothèque 1995

£385.00

This is a fabulous release from Dom Perignon's famous collection of back vintages. The nose is wonderfully complex with hints of lemon rind, quince and brioche all wrapped in a fragrant floral bouquet. The precise palate shows a youthful grapefruit and lime zestiness that gives way to a wonderful mineral character touched by white pepper and finished with a toasty lees character.

Dom Ruinart 1998

£200.00

The ultimate expression of Chardonnay, Dom Ruinart prestige cuvée was first made in 1959 to fully express the passion for excellence of the oldest champagne house. These special vintages are always renowned for their brilliant color, their complex yet utterly fresh aroma, and their balanced, fluid power.

Brut natural

A very dry style of Champagne in which the sugar content is less than 3 grams per litre. This is a very rare style of Champagne that is not widely available.
