Sasendle specialises in accommodated soft adventure 4x4 safaris on Cape to Namibia routes and return. These present tour participants with outstanding protected wilderness areas on both sides of the border shared by Namibia and South Africa. Our safari programmes feature small- and large-scale nature conservation projects in combinations that highlight what is unique to each and what they have in common. Our tours also communicate the geological, cultural and historical context that is shared across the south-west African region.

Larger groups will be quoted on request & subject to availability of suitable services only

**Travel tips and information.**

- Although your own GSM phone can be used in Namibia, you will only have signal in urban areas.
- Camera, batteries, charger, sun block, hat, sunglasses, comfortable walking shoes and Bathing Costumes.
- Although the weather is good all year around, it is recommended to bring a jacket for the cold evenings during winter times.
- We do travel in malaria areas and therefore prophylaxis is required for most of our safaris.
- Bring your own personal medication and you must be in perfect health to undertake any safari as you will visit remote areas with little or no medical facilities
- Your valid passport/ visa with at least 6 months to expiry date. Please check with your local consulate or travel agent as to visa and passport requirements because it is your responsibility to ensure that your passport, visas and certificates are all in order before departure.
