SASENDLE SAFARIS RATES (ZAR/N\$) - 1 November 2012 to 31 October 2013

Sasendle specialises in accommodated soft adventure 4x4 safaris on Cape TO Namibia routes and return. These present tour participants with outstanding protected wilderness areas on both sides of the border shared by Namibia and South Africa. Our safari programmes feature small- and large-scale nature conservation projects in combinations that highlight what is unique to each and what they have in common. Our tours also communicate the geological, cultural and historical context that is shared across the south-west African region.
