

ADULT COACHING CLASSES

Adult group coaching is continuous throughout the year, stopping only for selected public holidays or unless otherwise organised. Coaching is provided by and under the guidance of Tennis Australia accredited coaches.

Our Adult Coaching Classes provide tennis tuition for all standards and ages of adult players, from those new & learning the game to advanced players looking to improve their competition standard. You will learn basic & advanced techniques of all major shots to suit and improve your game. We will introduce you to match play for those who are not yet confident or have not played tennis before. (Both singles play and doubles play) As well as learn basic court craft skills and tactics to make you a smarter opponent.

Our Adult Groups are suitable for all standards and are a great way to learn the game of tennis and develop your skills. Get fit, Learn new skills, meet new people & have fun all at the same time. There are also opportunities to progress into our various day and night time competitions.
