Prices for **Canoe Camping Expeditions** can be discussed by phoning Kym on 04211 676 45. There are too many variables for us to be able to list and price them all: we'd prefer to chat with you about what you'd like to do, so we can determine what we will need to supply.

Clicking on the right side tab "craft available" halfway down the page: will show you the canoes, kayaks and sit-on-tops that are available.
