The image shows the exterior of a building at night. On the left, a large glass window reflects the interior and has the text "SAINT JUDES" and "bar - kitchen - club" printed on it. To the right of the window is a vertical living wall covered in dense green foliage. A black outdoor light fixture is mounted on the wall to the right of the living wall. The scene is illuminated by ambient light, likely from the building's interior and streetlights.

Intoxicating Tea Parties

Enjoy afternoon tea with a twist @ Saint Judes

In our private rooms, you'll find tables beautifully dressed with classic cake stands proffering all manner of more-ish morsels. We're talking homemade scones topped with lashings of cream & jam, artisan cupcakes, fresh fruit tarts, rich chocolate brownies, dainty finger sandwiches...

Got you going?

Wash down the gourmet goodies with a pot of one of our bespoke Teatime Martinis.

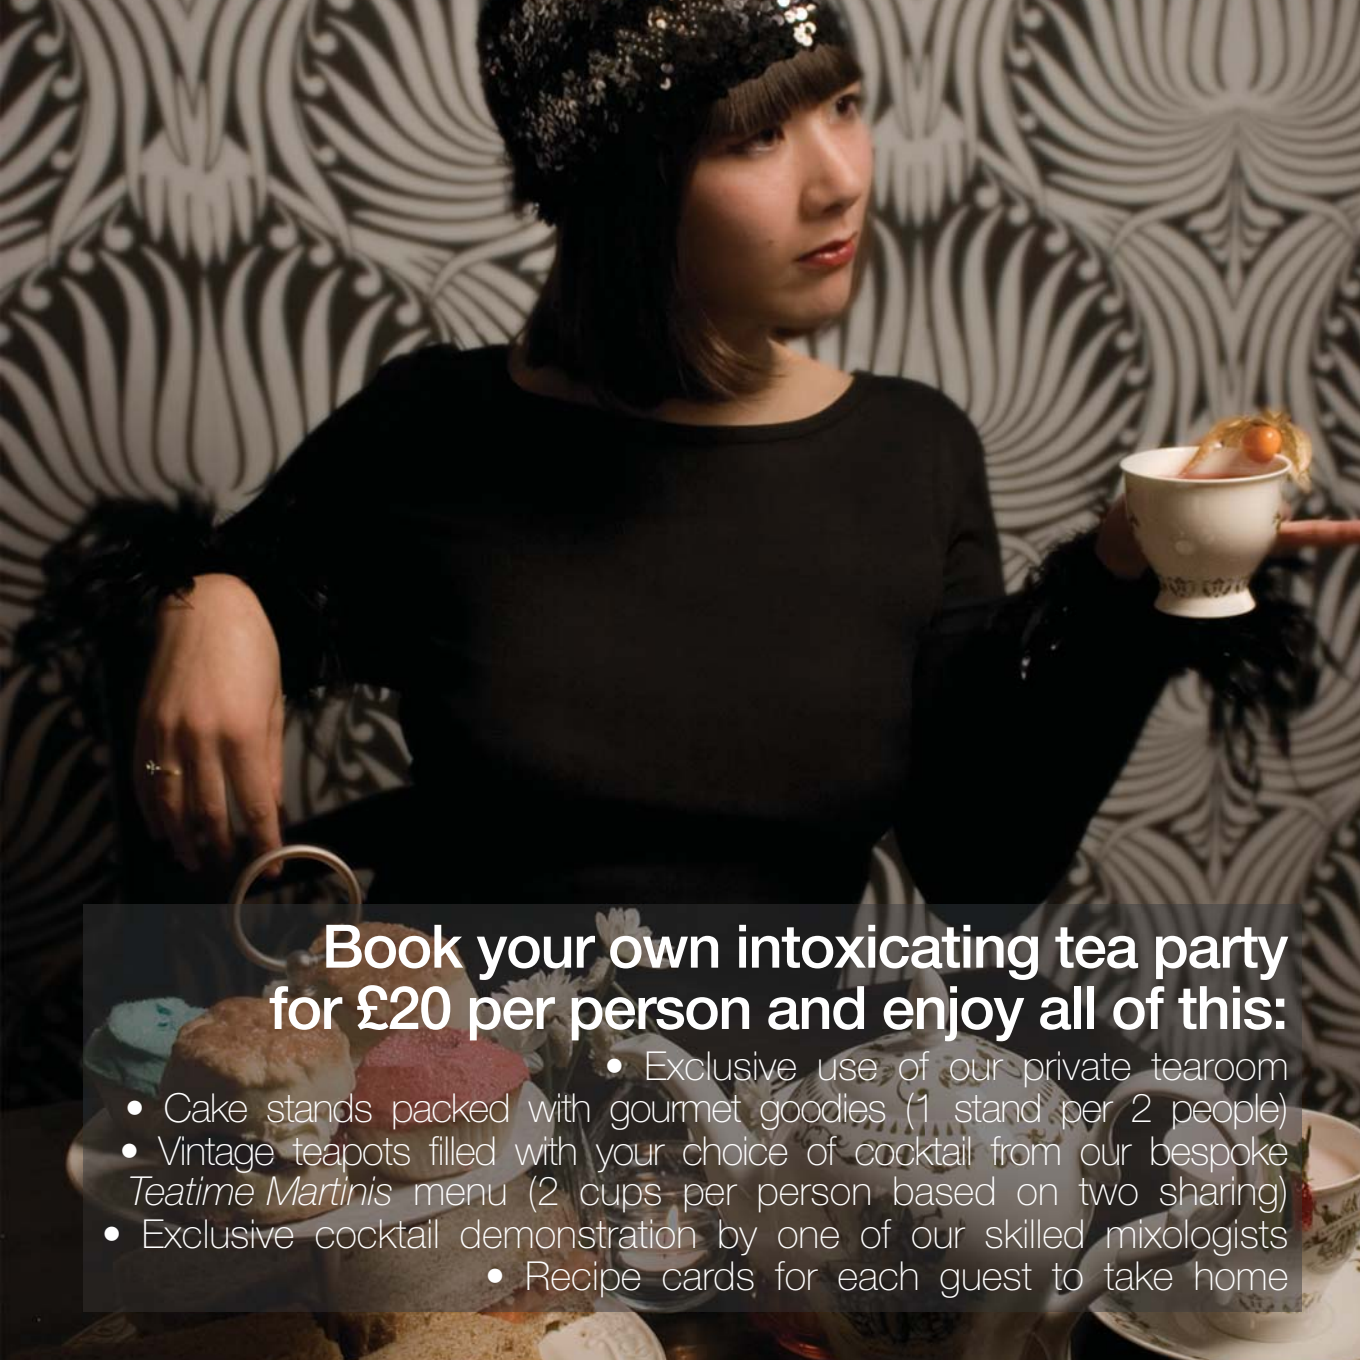

That's right, we've ditched the classic brew and filled our vintage teapots with the hottest cocktails in town instead.

So, while it may look like Granny's best china, these afternoons are reminiscent of the ones she didn't tell your mum about.

Choose from 4 delicious flavours and watch as our mixologists whip up a storm in a teacup, letting you in on our secret recipes in an exclusive cocktail demonstration.

You and your guests will also receive individual recipe cards to take away so that you can recreate your *Intoxicating Tea Party* experience at home.

Truly scrumptious.

**Book your own intoxicating tea party
for £20 per person and enjoy all of this:**

- Exclusive use of our private tearoom
- Cake stands packed with gourmet goodies (1 stand per 2 people)
- Vintage teapots filled with your choice of cocktail from our bespoke *Teatime Martinis* menu (2 cups per person based on two sharing)
- Exclusive cocktail demonstration by one of our skilled mixologists
 - Recipe cards for each guest to take home

Strip Teas(e)

Afternoon tea just got a whole lot raunchier...

Who doesn't love a spot of indulgence and immoderation?

Celebrate the decadence of the 1920s with Strip Teas(e): the event that offers you the perfect opportunity to indulge in some quality time with your besties over cakes and cocktails - with a rather titillating twist.

In one of our private suites, you and your party will enjoy an array of scrumptious cakes and sandwiches, beautifully presented on gorgeous cake stands and all washed down with lashings of bespoke cocktails served from vintage Hendricks teapots.

So far so glorious, right?

But this is just the beginning.

Once you are suitably sated by our gourmet delights, you will be treated to a private burlesque performance by the infamous Miss Hell's Belle. The lady herself will then let you in on the sexy secrets of 1920s-style burlesque, sharing with you all her best seduction techniques in an exclusive Masterclass.

How devilishly decadent...

The Strip Teas(e) experience is £29.50 per person and includes the following:

- Your very own *Intoxicating Tea Party* in one of St Judes' private rooms
- Cake stands packed with homemade scones, artisan cupcakes, fresh fruit tarts, rich chocolate brownies and gourmet finger sandwiches (1 stand per 2 people)
- Vintage teapots filled with your choice of cocktail from our bespoke *Teatime Martinis* menu (2 cups per person based on 2 sharing)
- A private 1920s-style burlesque performance and exclusive Masterclass from the wicked Miss Hells Belles

The Original Cocktail Masterclass

Treat your party to the original & best Saint Judes Cocktail Masterclass. Join us for an unforgettable evening as our award-winning mixologists let you in on the tricks of the bartending trade and equip you with the know-how to create the perfect cocktail.

On arrival, guests are treated to welcome drinks at a private cocktail reception, featuring the finest concoctions from our impressive menu.

Your guests are then split into teams and over a series of rounds they will compete for cocktail-related prizes. And ever-lasting glory, of course. In the final round, teams put what they've learned to the test as they go head-to-head to design, name and mix their own original cocktail.

**For those in your party that do not drink, we have some great "mocktail" options so no one will feel left out!*

"The Water Of Life" Whisky Masterclass

Forget the old whisky clichés. The wee dram's image as a slightly dated, predominately "male" drink is changing. And believe it or not, there are far better ways to enjoy this tippie than just straight, or on the rocks. Yes indeed - we are dragging the wee dram into the 21st Century!

So check those misconceptions at the door and join us for the Saint Judes Whisky Masterclass.

We kick off with a fascinating journey of discovery, exploring the heritage of the world's most historic drink and getting you and your guests acquainted with the background, taste and character of our favourite whiskies.

Once you and your guests are clued up on the origins of "the water of life", our Scotch-savvy mixologists will take you through an interactive cocktail Masterclass, using whisky as the core ingredient.

Each guest is provided with an exclusive recipe pack and the means to make their own tasting notes, allowing their new-found knowledge to be shared long after the night is over.

 - 2 whisky cocktails
- An exclusive recipe pack

THE CUPTAIL MASTERCLASS

At Saint Judes, we know there's nothing worse than a dry cupcake. With this in mind, we have come up with quite the ingenious solution... A rather elementary equation, really: Cupcakes + Cocktails = Cuptails!

Begin by joining our gifted pastry chef as he takes you and your guests step-by-step through the creative process that turns your favourite cocktails into spongy, gooey loveliness.

You will then be invited to try your hand at frosting & decoration and - most importantly - to taste as you go! (Because how else can you be sure you've got it right?)

Then we shake things up a little.

The second half of this fully interactive event is a mini Cocktail Masterclass. Sit back as one of our talented mixologists shows you how to create the perfect accompanying drinks for each tasty little cake. Finally it's your turn! Discover your inner mixologist as you learn to whip up your very own cocktails.

After the event, guests leave with a goody bag of their creations - the ones that haven't already been devoured, that is...
