# Welcome to Kangaroo Island – Paradise Found

In a world of concrete, glass and seemingly endless highways, Kangaroo Island is one of Earth's last, unspoiled refuges.

It's the type of place where you are only 45 minutes by ferry from the mainland but you'll feel like you're a million miles away! Just a short distance off the coast of South Australia, Kangaroo Island is internationally famous for its pristine wilderness and wildlife. Across the island, kangaroos and Tamar wallabies abound. Listen carefully and you will hear echidnas and goannas scuttling around in the undergrowth. Up in the trees, koalas eye you with mild amusement. Spend time at Seal Bay, home to a colony of Australian Sea-lions and watch them playing in the shallows, surfing the waves and basking on the sand. View the Little Penguins parading in the evening and marvel at the New Zealand Fur Seals as they come out of the surf to sunbathe on the rocks at Admirals Arch.

Whilst Kangaroo Island is much celebrated for its wildlife, its food and wine are integral parts of the Kangaroo Island experience. Try sheep's cheese and yoghurt along with a generous dollop of organic honey from the island's famous Ligurian Bee. Enjoy some of Kangaroo Island's fine, home-grown and award winning wines.

Explore the delicate taste of Kangaroo Island's freshwater crayfish – the Marron, or savour the famous King George Whiting. There is nothing wild or untamed about the Island's food and wines!

Added to the food and wine journey of Kangaroo Island is another journey and it's all about art. Artists are moved by the beauty of this place which has resulted in a thriving art culture and has earned Kangaroo Island a reputation for both unique and high quality artwork and an abundance of art galleries and showrooms.

Recreation activities on Kangaroo Island are exciting and diverse and you don't have to travel far before you find another fabulous experience.

If you love the ocean, then there's plenty of it here! Dangle a line from a jetty, fish from a beach, launch your own boat or charter one.

You can swim with dolphins or enjoy sailing, swimming, snorkelling, surfing and scuba-diving too. If you'd rather keep your feet on terra firma, then there's caving, bushwalking, quad biking and sand-boarding.

You are welcome to journey with us to this place of wonder – Kangaroo Island, with its spectacular landscapes and coastlines, its maritime heritage and memorable wildlife encounters.

People travel the world looking for an island like this one. Search no more. Paradise found. It's called Kangaroo Island.

## History and Facts

Named in 1802 by English explorer, Matthew Flinders, Kangaroo Island is Australia's third largest island, after Tasmania and Melville, and is about seven times the size of Singapore but with less than 1% of the population! The island is located 110km southwest of Adelaide. Its closest point to the mainland is 13km off Cape Jervis on the Fleurieu Peninsula.

Coastline: 540km

Length (East-West): 155km

Width (at widest point): 55km

Width (at narrowest point): 1km

Total area: about 4350km<sup>2</sup>

Population: approx. 4400

## What to Wear

Kangaroo Island enjoys a more temperate climate than the mainland. Summers are a little milder with cool evenings and winter often a little warmer. From March to June, the weather is often spectacular with long, balmy days and calm seas. Be sure to take warm clothing in the winter months of June through to September. At any time however, comfortable, casual clothing is the order of the day. If you plan to do some walking, take some boots or sturdy shoes and at all times, hats and sunscreen are recommended. Other than that, bring your camera and a sense of adventure. Feel free to leave your worries and stress on the mainland – everyone else has!

## Caring for the Island

Kangaroo Island is a special place with a delicate environment. Please help protect it and keep it safe from pests and diseases. Please do not bring unwashed potatoes, vine cuttings, foxes or rabbits onto the island.

Kangaroo Island is a Ligurian Bee Sanctuary. Importing honey, pollen or bee products is prohibited. A penalty of \$10,000 may apply.

Please help to protect the island's natural environment by taking care when visiting its beaches, walking trails and camping sites and remember when observing wildlife – observation not interaction!

## Roads and Driving

Kangaroo Island is widely accessible with an extensive bituminised road network. We urge caution on all island roads, especially the unsealed ones. Many native animals come out early in the morning, at sunset and at night and they tend to congregate at the sides of the road. Please be careful at these times as many of the animals have not been to road safety school!

## Camping and Caravan Parks

There are various Council, National Park and privately owned caravan parks and camping areas scattered across Kangaroo Island. Ask our SeaLink team for further details and please note that camping permits are required to camp in National and Conservation Parks.

## Services and Facilities

Most major services and facilities are located within the townships on Kangaroo Island, including fuel stations, supermarkets, ATM's, Post Offices, Banks, a Hospital, Retail Shops, Hotels and Restaurants. It is advisable to check opening and closing times of fuel stations before commencing travel. Mobile phone reception can also be intermittent or not available in some areas of the island.

# Getting to and around Kangaroo Island

SeaLink makes getting to Kangaroo Island easy with options to suit everyone.

Enjoy the leisurely drive through the scenic Fleurieu Peninsula in your own car, in a rental car or on a SeaLink coach connection. Relax on board our ferry for your 45 minute cruise to Kangaroo Island where a selection of touring options await you.

Explore the island at your own pace in the comfort and convenience of your own car or rental car, or let our SeaLink guides host and inform you on one of our many tours – the choice is yours.

## How long does it take?

SeaLink ferries depart from Cape Jervis on the mainland to Penneshaw on Kangaroo Island. The crossing takes just 45 minutes. Cape Jervis is a scenic 110km drive down the Fleurieu Peninsula from the Adelaide GPO. We advise to allow 2 hours for the drive, plus a half hour for check-in and boarding. This will give you plenty of time for a coffee or snack from CJ's by the Sea Café at our Cape Jervis Terminal.

# Explore Kangaroo Island – Self-Drive

Kangaroo Island (or ‘KI’ as the locals call it) is deceptively large and diverse with so much to see and do.

When taking a self-drive holiday, you’ll be able to see many of the major highlights over a two day visit but to truly discover the magic of this nature wonderland, allow three to five days, or if you’re up for a longer holiday then allow five to seven days – you’ll be so glad you did!

If you do not wish to drive yourself then consider a SeaLink coach or 4WD tour, Kangaroo Island Adventure Tour or a personalised Kangaroo Island Odysseys 4WD tour (refer pages 10 – 13 for details).

Kangaroo Island is the perfect destination for a self-drive holiday and SeaLink can help you plan your holiday every step of the way.

You’ll have much less to organise when you take your own car or hire car with you. Just pack it full of everything you need for your Kangaroo Island holiday, drive aboard the ferry and in no time you’ll be at your destination. No parking fees, hauling bags on and off the ferry or limiting what you take.

To help you get around the island there’s a great CD that you can play in the car. This self-guided audio tour for Kangaroo Island offers you information on where to go to find wildlife and the best times to see them, along with a selection of stories and history and will give you a snapshot perspective of this unique island (this CD can be purchased through SeaLink, refer page 48 for further information).

To assist you plan your Kangaroo Island self-drive holiday, we have put together some touring ideas for you to consider. We have grouped these into regions of Kangaroo Island, together with accommodation – you may wish to stay in the one region for your entire holiday or a combination of regions depending on the length of your stay.

## Key facts to consider:

Kangaroo Island is Australia’s third largest island and its size should not be underestimated

The distance from Penneshaw to Flinders Chase National Park is 140km so you may wish to book accommodation at the western end of the island to reduce your driving time

It takes 2 hours and 20 minutes to travel from east to west, from Cape Willoughby to Flinders Chase National Park

It takes 45 minutes travelling north to south, from Stokes Bay to Vivonne Bay

There are nearly 1600 kilometres of roads on Kangaroo Island

The major roads between Penneshaw, American River, Kingscote, Parndana and Flinders Chase are sealed and well sign-posted but most other roads are un-sealed and require reduced speed and more caution

Refer to the Kangaroo Island map on page 58

Many people choose Penneshaw as their base for their Kangaroo Island holiday and SeaLink has a range of accommodation for you to choose from, including the Kangaroo Island Seafront or a range of self-contained holiday homes.

You may consider other places to stay around this area such as Baudin Beach, Island Beach and Antechamber Bay where you can choose from a number of cottages or beach houses.

Enjoy a drive to Cape Willoughby Lighthouse for a taste of the area's heritage. Tours run daily at 11.30am, 12.30pm and 2pm.

The Dudley Peninsula is home to a number of cellar doors including Chapman River, Dudley Wines, False Cape and Sunset Winery. Be sure to drop in and taste some of the Island's fine wines and local produce from cellar doors with great ocean views.

Visit the Penneshaw Penguin Centre for a guided night tour of the wild Little Penguin colony. Enjoy a unique, personal and close insight into the lives of these sea birds.

Look out for the Penneshaw markets which are held on the first Sunday of the month.

An ideal beachside holiday spot only seven minutes from Penneshaw, Baudin Beach provides a quiet holiday location with a beach, small jetty and beautiful panoramic views over Eastern Cove towards American River.

The quintessential beach holiday location, Island Beach boasts stunning tranquil turquoise waters, a white sandy beach and rows of spectacular homes. It is well known for local wildlife such as wallabies, goannas and possums and is a famous fishing spot for King George Whiting.

American River is a quiet, friendly fishing village nestled on a hillside on native bushland.

You have a great selection of accommodation to choose from including the Mercure Kangaroo Island Lodge, Island Coastal Units, Ulonga Lodge and Wanderers Rest of Kangaroo Island.

American River is a bird-watching paradise and a great place to try local fresh oysters from The Oyster Farm Shop while enjoying the views over Eastern Cove. There's an impressive stretch of coastline around this area including the spectacular Pennington Bay, a photographer's dream and a very popular place for fishing.

The sheltered waters around American River are home to some great fishing grounds and you can join local charter operator, Cooinda Fishing Charters here who'll take you out for a great day's fishing.

If you're feeling energetic, you can climb to the top of nearby Prospect Hill. You will need to climb 512 steps but the view from the top is well worth the effort. From here you can see American River, Pelican Lagoon, the Southern Ocean and Pennington Bay.

There are plenty of scenic walks around and exploring American River by foot can be a rewarding way to see this region.

Take a short drive from American River and you'll find Clifford's Honey Farm. Discover the Ligurian bee and learn about the honey extraction process which is explained in an informative video.

Enjoy browsing the local produce, art and craft and cosmetics made with honey and beeswax and make sure you sample some of Jenny's famous honey ice cream.

Visit Emu Ridge Eucalyptus Distillery, SA's only commercial eucalyptus distillery for a guided or self-guided tour to learn about some of the clever bush technology and processes used at the distillery. Look through the gift shop, which has an extensive range of local art, crafts and produce. Rookery Wines has its cellar door on site where you can taste and purchase a selection of local wines.

Kingscote is the commercial hub of Kangaroo Island and home to a number of shops, facilities, restaurants and nearly half of the Island's population.

There's a large range of accommodation options available including hotels/motels, bed & breakfasts, holiday homes, cabins and a caravan park. You may also wish to consider staying at the beautiful Emu Bay, which has a wide selection of coastal holiday homes to choose from.

Kingscote is situated on Nepean Bay, overlooking a very tranquil harbour. It is a very special place in South Australia's colonial history, as just north of Kingscote is the important heritage site, Reeves Point, South Australia's first European settlement.

Visit Island Beehive, which provides a fascinating insight into the history of Ligurian bees and their complex lifecycle and you can also watch the honey being harvested. Of course, no visit would be complete without some tasting.

Emu Bay (located 18km from Kingscote) is a very popular spot on the north coast for holiday makers. It boasts a beautiful, long 4km white sandy beach with vehicle access as well as safe, clear water for swimming and water activities.

Departing from Emu Bay, take a half day or full day Kangaroo Island Marine Adventures tour and cruise the coastline, visiting secluded beaches and witness some amazing marine life along the way. This area of coastline abounds with sea birds, penguins, sea eagles, albatross, pelicans and many more.

Navigate your way to Bay of Shoals Wines, which overlooks the Bay of Shoals and Reeves Point near Kingscote.

Call in and taste the award winning wines with the very eye-catching labels, then head out to Cygnet River to visit KI Spirits, a boutique distillery that produces a range of unique liqueurs and spirits.

Be sure to stop in at nearby Island Pure Sheep Dairy, South Australia's first sheep dairy and cheese factory at Cygnet River. Enjoy a tour of the factory and tasting of the variety of Mediterranean style cheeses and yoghurts produced at the dairy.

# North Coast and Heartland

Take the winding North Coast Road and discover a real sense of space and freedom as you pass by rolling hills and great views.

The northern coastline is simply stunning with white sandy beaches, clear waters, hidden coves and spectacular coastal scenery.

There are a number of secluded beaches such as Stokes Bay, Western River Cove and King George Beach, which are a haven for fishing and water sports. King George Beach is a hidden treasure, a small pebble beach tucked away in a delightful cove.

At the mouth of Middle River, Snelling Beach is excellent for swimming, surf fishing and great rock fishing at either end of the beach. You'll be surprised what you find at Stokes Bay after you wind your way through the headland of boulders – a white sandy beach and a beautiful rock pool.

Heading inland you will find the true heart of Kangaroo Island, Parndana. The Heartland was where ex-soldiers were settled and given the task of farming the island's central plateau. Parndana is home to the Soldier Settlement Museum that will take you on the journey of the returned soldiers and the Parndana Wildlife Park, home to one of SA's largest collections of rare and unusual birds and animals. There is also a selection of accommodation in the town, as well as travellers' services.

Many people are not aware of the freshwater crayfish (marron) that are farmed on Kangaroo Island and at nearby Andermel Marron Farm, you can see the marron in holding tanks in the farm shed and learn more about this island icon. Enjoy wine tastings at Two Wheeler Creek Wines and lunch at The Marron Café.

Be sure to make an appointment to visit The Islander Estate Vineyards to find out what inspired French winemaker, Jacques Lurton to choose Kangaroo Island as the ideal site for grape growing and wine making. Enjoy a fully guided tour of the vineyard and winery and sample some of the premium wines in the barrel room.

# Western Kangaroo Island

If you're looking for some peace and solitude, or some pure indulgence, Western Kangaroo Island is the place to be.

The native bushland is home to an abundant amount of wildlife teeming with the likes of birds, echidnas and kangaroos, while koalas doze happily in eucalyptus trees above.

In this area, you can stay in absolute luxury at the very stylish Southern Ocean Lodge, choose from cabin accommodation at Hanson Bay Cabins or hotel style accommodation at Kangaroo Island Wilderness Retreat. There's also a great caravan park here that offers camping sites and on-site cabins.

This region is rich in history, with Cape du Couedic, Cape Borda and Weirs Cove all remnants from the Island's past. At Cape du Couedic, there's a lively colony of New Zealand Fur Seals that frolic in the surf or doze on the beach or rocks. There are a number of lighthouses on Kangaroo Island and here you will see Lightstations at Cape du Couedic and Cape Borda.

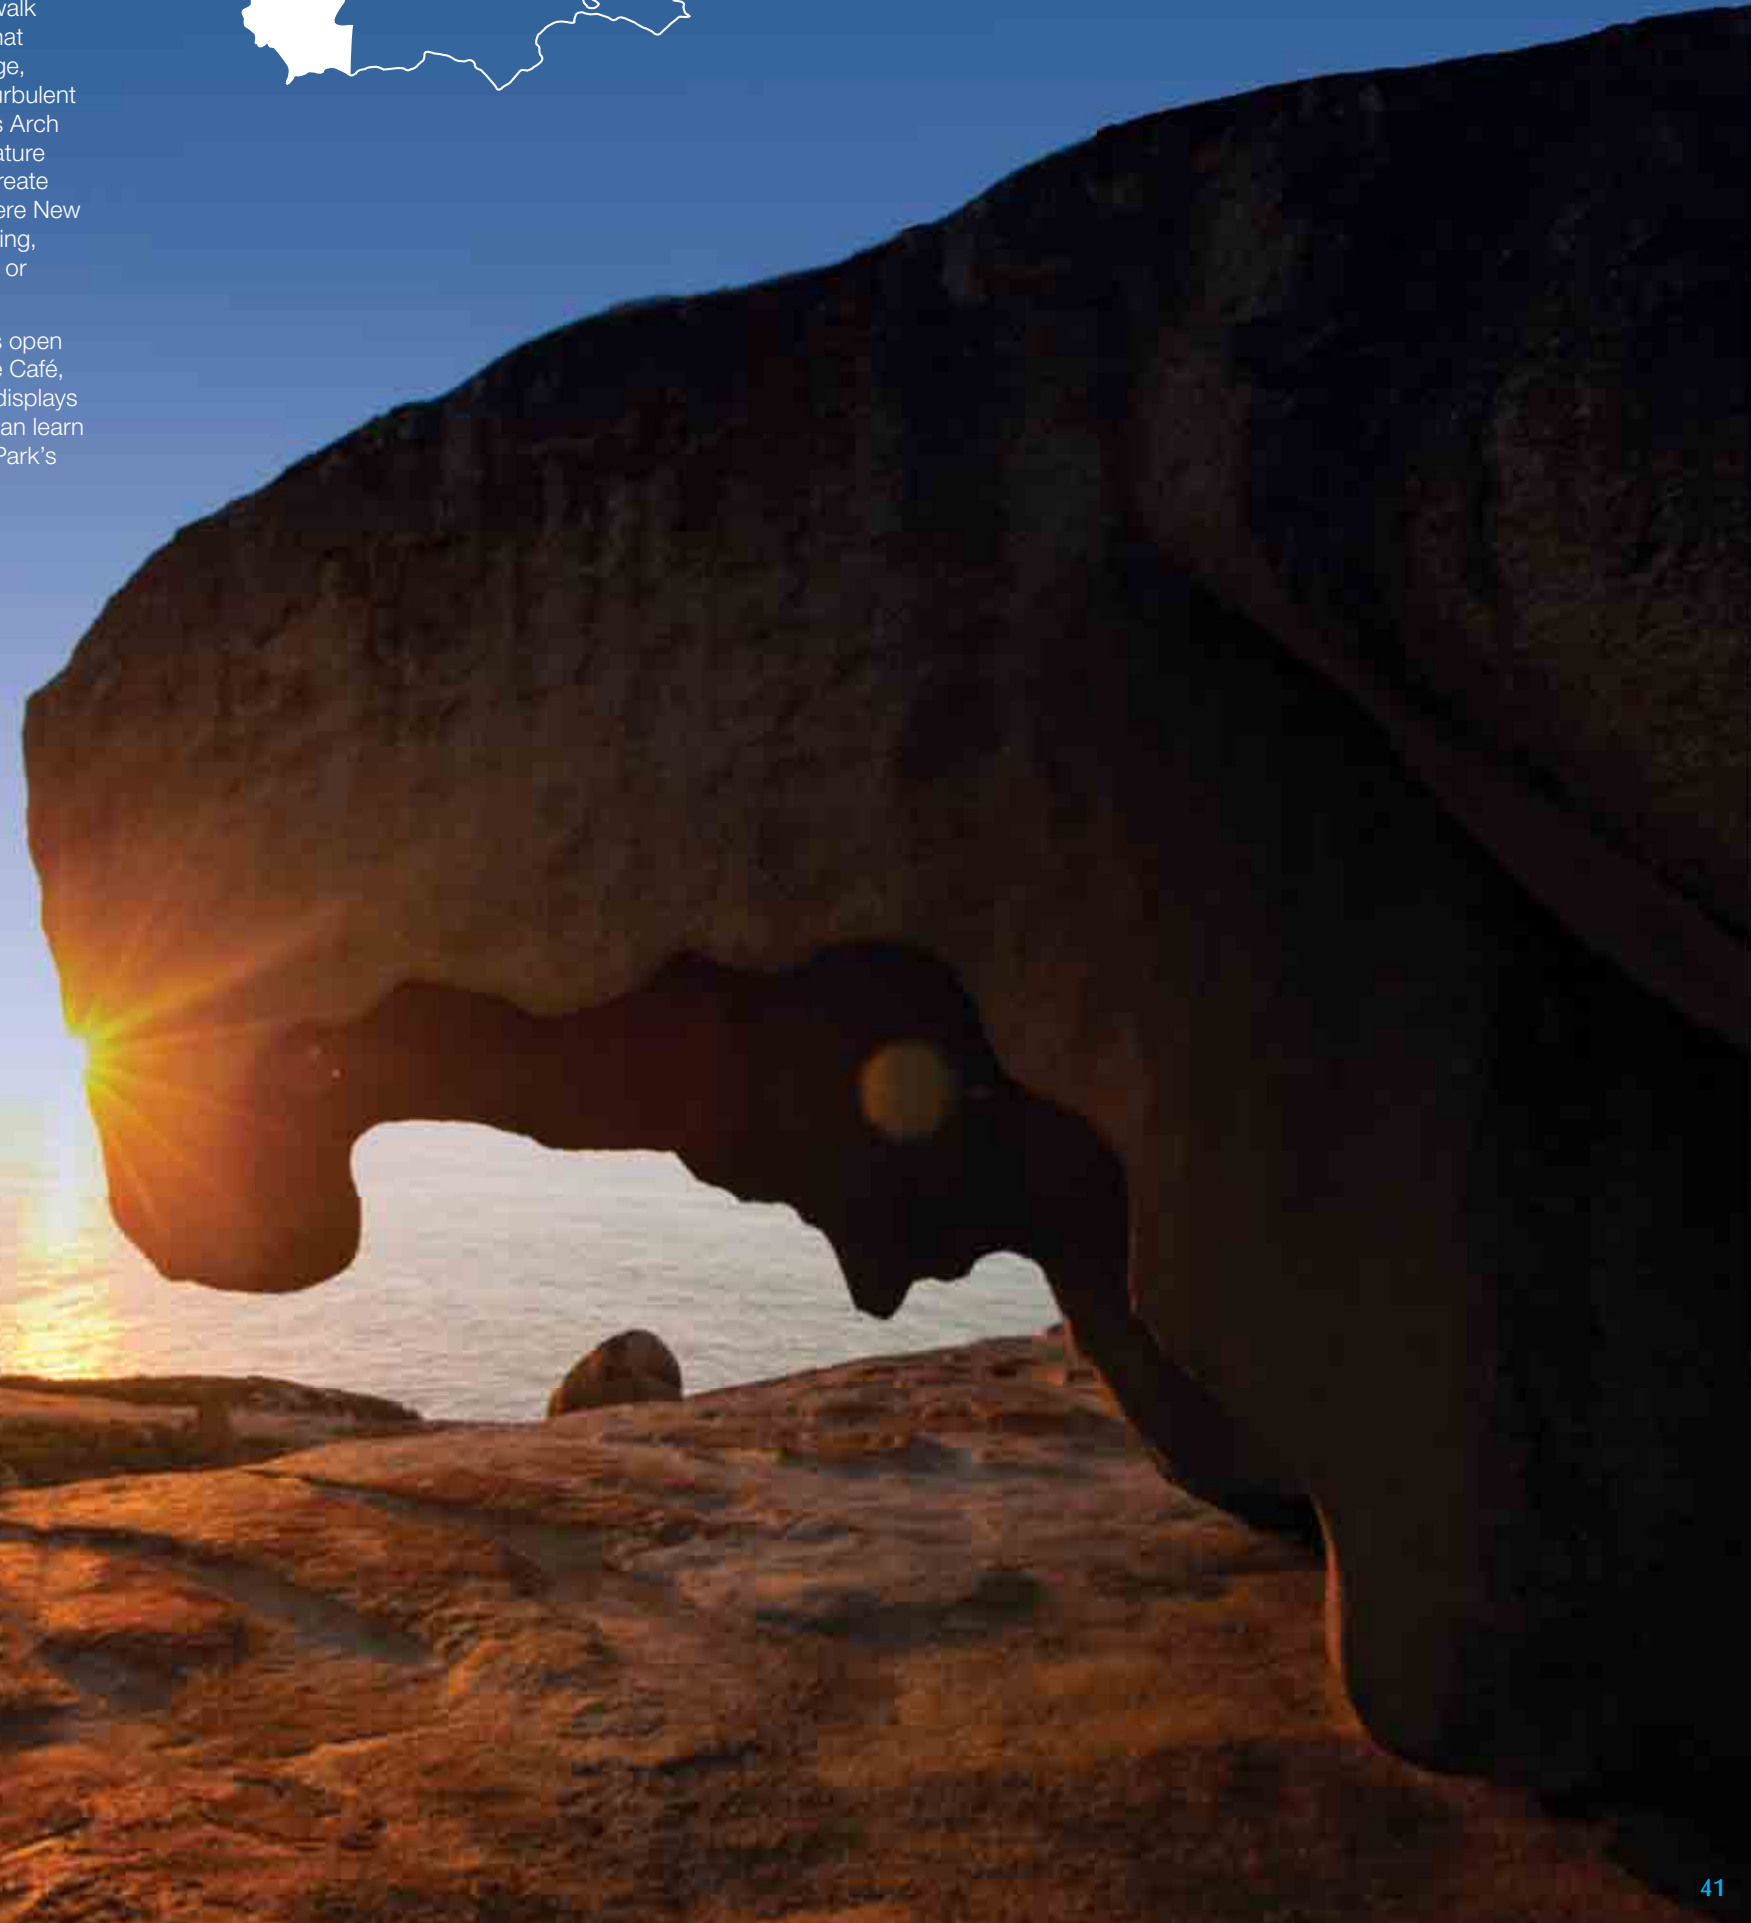

Hanson Bay is a popular surf-fishing area with large Australian salmon often caught along the spectacular sandy beach. At nearby Hanson Bay Wildlife Sanctuary, you'll see one of the best places to view sustainably managed wild animals and it's not just about the popular 'Koala Walk', many other species call the area home such as wallabies, kangaroos, echidnas and birds. At the Visitor Centre, you can grab a bite to eat or a coffee and browse through the gift shop. Here you can hop on a helicopter for a scenic flight over the area and coastline – it has to be seen to be believed.

Beneath the vast expanse of native bushland of Kelly Hill Conservation Park lies a maze of surprising caves. Be sure to join one of the regular guided tours to discover the treasures of Kelly Hill Caves. For the more adventurous, join an experienced guide on an Adventure Caving Tour where you can crawl your way through an underground maze of smaller caverns.

Western Kangaroo Island offers numerous walking and hiking trails that are well worth the effort, including the Weirs Cove, Rocky River and Sandy Creek Hikes, just to name a few.

Flinders Chase National Park is home to two of Kangaroo Island's most popular landmarks – Admirals Arch and Remarkable Rocks. Here you can walk among the giant granite boulders that balance dramatically on the cliff edge, which plunges 75 metres into the turbulent Southern Ocean below. At Admirals Arch see where the powerful forces of nature have cut through the headland to create this natural geological formation. Here New Zealand Fur Seals can be seen resting, swimming and playing in the waves or on the rocks.

The Flinders Chase Visitor Centre is open daily and offers meals in The Chase Café, a large gift shop and eye-catching displays and interactive models where you can learn about the Flinders Chase National Park's natural values and cultural heritage.

## Hanson Bay | Map L-6

The South Coast is one of the most popular places on Kangaroo Island – it's rugged, beautiful and home to some of the Island's favourite attractions, Seal Bay Conservation Park, Little Sahara and Vivonne Bay.

Vivonne Bay is a long, curved sandy beach superb for picnics, beachcombing, surfing and fishing and there's a good selection of accommodation available here, mainly lodge style or beach house accommodation.

At Raptor Domain, join Dave and Leeza and their amazing attraction, Birds of Prey, for an educational, interactive and inspiring experience. Meet an array of birds including Jedda, the majestic Wedge Tailed Eagle and enjoy a delightful interactive

experience with Casper the friendly Barn Owl and Banjo and Clancy, the laughing Kookaburras – a favourite with the kids. Enjoy the interactive reptile show Fang-tastic, for an educational and inspiring experience with the friendly lizards and snakes.

At the spectacular Seal Bay Conservation Park, join the local guides on a memorable walk along the beach. This bay is home to a healthy Australian Sea-lion colony. Walk among the sea-lions as they bask on the beach or see them in the sand dunes after their extensive fishing expedition. With your guide, you are able to stand at a safe distance to these wonderful endangered creatures and hear them sigh and watch them at play. This is a truly unforgettable experience – one that you will treasure forever.

With Kangaroo Island Outdoor Action and Bush Getaway Adventures, you have the opportunity to enjoy nature based adventures at Vivonne Bay. For a fun-filled, adrenaline packed day, try sandboarding, kayaking, paintball or a guided quad-bike

tour through 500 acres of winding bush trails.

Little Sahara is an area of spectacular white sand dunes, surrounded by bush vegetation. Take your sandboard or toboggan and climb to the top of the razorback ridges and enjoy a thrilling ride to the bottom.

Be sure to visit the nearby Rustic Blue Art Gallery & Café, a serene gallery that showcases a collection of artwork, photography and jewellery from local resident artists/owners.

# Adelaide and Surrounds

When planning your Kangaroo Island holiday, consider including a visit to Adelaide, the Adelaide Hills, Barossa or Fleurieu Peninsula before or after Kangaroo Island.

There are two ways to travel to Kangaroo Island, you can fly from Adelaide or catch the SeaLink ferry from Cape Jervis, which is located 110km south of Adelaide on the beautiful Fleurieu Peninsula.

Spend two or three nights in **Adelaide**, the seaside suburb of **Glenelg** or **Adelaide Shores**. Explore the city of Adelaide or relax on the Barossa and Hahndorf Wine Experience Tour with Adelaide Sightseeing, which takes in Australia's most famous wine region – The Barossa and the historic town of Hahndorf. For those who choose to stay at Glenelg, be sure to book on the Dolphin Swim cruise with Temptation Sailing. You can travel between Glenelg and Adelaide on the tram, which operates at regular intervals. Adelaide Shores is a great option for families and offers a range of accommodation and leisure facilities.

The **Adelaide Hills** is a delightful region with ribbons of roads leading to hidden treasures, including quaint villages, vistas and rolling hills.

There are over 50 cellar doors in this region, which is acknowledged for its fine cool-climate wines.

Base yourself in **Hahndorf**, Australia's oldest German settlement, where you can wander along the main street and explore the many boutique shops, fine dining, cafés, cellar doors and historic pubs. From Hahndorf, you can drive to Cape Jervis in around 90 minutes.

The **Barossa** is renowned for its food and wine, cultural experiences and easy-going lifestyle. You can visit the Barossa in a day from Adelaide or choose to stay in the region before or after your holiday to Kangaroo Island. A visit to the Barossa is a taste of the good life, with premium wines, local produce and acclaimed restaurants. The two and a half hour drive from Lyndoch to Cape Jervis takes you through the Adelaide Hills and Fleurieu Peninsula.

To break your journey to Cape Jervis, consider staying overnight at **McLaren Vale**, a favourite South Australian wine region with more than 60 cellar doors. Apart from wine, this region offers beautiful scenery and local restaurants serving up delicious local produce. Cape Jervis is only an hour's drive from McLaren Vale.

Links Lady Bay and Wirrina Cove Resort on the **Fleurieu Peninsula** are both around a 20 minute drive to/from Cape Jervis and provide an opportunity to play a round of golf before or after your visit to Kangaroo

Island. Here, you quite often have to play around the kangaroos that graze on the fairways.

Nestled on the wide, sandy arc of Encounter Bay, **Victor Harbor** is all about the sun, surf, sand and stunning views. Stay in **Victor Harbor** or nearby **Middleton** and then travel down to Cape Jervis to board the SeaLink ferry to Kangaroo Island, which is a pleasant one hour's drive. At nearby McCracken Country Club you can stay and play a round of golf at the 18-hole championship golf course.

Finally, you may wish to stay at **Cape Jervis** before or after your visit to Kangaroo Island. Cape Jervis is a popular base for fishermen, with good boat, jetty and beach fishing. Climb aboard a fishing charter or take a cruise along the coast. Bushwalkers can stretch their legs through nearby Deep Creek Conservation Park or along the Heysen Trail.

Our SeaLink sales consultants can put your South Australian holiday together by combining Kangaroo Island with one or more of these great South Australian destinations. Ask us about the great range of tours around Adelaide and South Australia with Adelaide Sightseeing.

All services and reservations provided are subject to the conditions of the principal providers and no responsibility is accepted by the SeaLink Travel Group for misrepresentation, unforeseen omissions or additional costs incurred, including those arising from adverse weather conditions or any situations beyond the control of SeaLink. Refunds may not be available for unused services. Ferry, Coach, Touring and Activity options will not operate on Christmas Day. Tours will be affected when part of the itinerary includes the 25th December 2013. Travel insurance is highly recommended.

## Pricing:

Children under 3 years of age travel free of charge on SeaLink services provided they do not occupy a seat.

## Room Configurations:

Twin share prices are based on a 'double' – two people sharing a double bed (queen or king beds at some properties) or 'twin', consisting of two single beds. Please request either a 'double' or 'twin' at the time of reservation. 'Extra adult' prices are based on sharing with two other adults in the same room. Should the extra adult wish to have their own room they will be charged at 'single' rates. 'Single' prices are based on a person having their own room. 'Extra Child' prices are based on sharing the same room with two or more adults.

## Star Ratings:
