

The Taj Mahal started life on the Isle of Man in 1984. In this period our restaurant has become one of the longest established eateries on the Island. Our sole aim is to supply the best quality Indian food on the Island. We use the very best produce available from local suppliers. All your favourite Indian dishes will be found on our menu along with some dishes that you may have seen for the first time which are exclusive to the Taj Mahal. The Taj Mahal offers a warm welcome to all our customers, a special welcome is given to families with children. Our restaurant is child friendly and smaller portions are available for the children. For restaurant quality Indian food at home why not try our take away service.
