Nairobi-Amboseli National Park-Samburu National Reserve-Lake Nakuru National Park-Masai Mara National Reserve-Nairobi

This safari takes you to the most famous reserves in Kenya, with a different experience at each. Masai Mara is Kenya's most famous and finest game sanctuary and has an astounding variety and abundance of wildlife. Amboseli National Park sits on the lower slopes of mighty Mount Kilimanjaro - Africa's highest mountain. Samburu National Reserve is one of Kenya's lesser known gems, situated alongside the Ewaso Nyiro River. Stunning Lake Nakuru National Park is famous for the thousands of pink flamingos that flock there.

Day 1 Nairobi-Amboseli National Park

We will collect you from your Nairobi hotel at 8am to start your adventure. Towering over Amboseli National Park, Mount Kilimanjaro's magnificent snow-capped peak dominates the landscape. In its shadow you will enjoy an afternoon getting acquainted with the local wildlife including elephants, giraffes, lions and cheetahs. Camping or lodge accommodation; L & D included.

Day 2 Amboseli National Park

After an early morning coffee, with Mount Kilimanjaro providing a superb backdrop for photographs, you will spend a leisurely day wildlife watching from the comfort of your safari vehicle. Our drives take us through zebra and wildebeest territory along the salt pan trails. Camping or lodge accommodation; B, L and D included.
