PLEASE NOTE: Any countries that are not on the list and you have a query about please do not hesitate to ask as this list is based on the common embassies we deal with frequently.

Please note that visa fees as above exclude our encashment fee of 2%, and visa fees can change at any time with no prior notice from Embassies.

Visalogix will not be held responsible for any visa fee increases or closure of consulates. Fees are non refundable. Visalogix will not be held responsible for any loss or damage of documents whilst in transit. Should any consulate not grant a visa, Visalogix will not be held responsible for any repercussions thereof. Should a visa not be issued before departure date when a client has purchased an air ticket even though a consulate has requested not to purchase one prior to their visa being issued, Visalogix will not be held responsible for any delays. Visalogix will not be held

responsible when visa applications are submitted within less days of the said processing time at the applicable consulate resulting in visas not be issued in time before passenger departs.
