## OVERVIEW

Gearheads.co.za is a motoring site that offers the best of all worlds. With the latest news, reviews and motorsport stories from around the world, Gearheads is for everyone who has a passion for motoring and motorsport.

With almost 10 years in the motoring media, Gearheads is the brainchild of Mark Holdsworth, a self-proclaimed Gearhead and car nut. Mark has worked for a number of print publications and websites, bringing this knowledge to bear on the Gearheads site.

But Gearheads is more than just a news site. With the Events Calendar, Fan Test and Video sections, Gearheads aims to offer the complete package for automotive enthusiasts and car-buyers alike. There's even a weekly newsletter to ensure readers don't miss a single piece of the action.
