

**SERVE
THE GOOD
STUFF!**

Baby, it's cold outside! Insulate yourself against the weather with something hearty and warming - braised meats falling off the bone into rich gravy, a piping hot pancake stuffed with good things, the sweetness of caramelised root vegetables. And don't forget puddings - chocolate, syrup, custard, all legitimate compensations at this time of year! Our meat, eggs and ice cream are all British, free range and produced by ethical suppliers. Our bread is made from wheat grown within thirty miles of the bakery. We use native, sustainable fish wherever we can and buy British fruit and veg in season for freshness, quality & value.
