londonontap

We are pleased to support the London On Tap initiative, a unique collaboration between Thames Water and the Mayor of London. Our 'Thames' tap water is rated top in the UK, consistently rating highly in taste tests, beating more expensive bottled alternatives making it one of the best in the world. It is also kinder to the environment emitting 300 times less CO2 to process than bottled alternatives. London On Tap is served to your table in the award winning carafes.

If you wish to do so, we would like you to donate 50p per carafe of which 100% is donated to the charity Wateraid.

If you prefer bottled mineral water we offer Hildon still or sparkling [330ml] / [750ml] £2/£4
