

WELCOME TO THE BOX TREE

AA NOTABLE WINE LIST 2011-2012

The Box Tree has always been famous for the quality of its wine list. We continue in that tradition and hope to offer an exciting range of classic and emerging wines to meet all tastes.

We are constantly seeking out new sources of unusual and mature wines, resulting in a highly dynamic list which changes almost daily. Often the most characterful wines at the ideal state of maturity are available only in small quantities.

we are always able to offer alternatives to any wines which may be out of stock.

The list offers examples of the greatest terroirs in the greatest vintages, including such legendary wines as 1993 Le Montrachet from the Domaine de la Romanee Conti, 1989 Vega Sicilia Unico and 1982 Penfold's Grange.

Alongside these masterpieces are a diverse range of wines chosen to match Simon's rich and elegant cuisine. We particularly recommend the rich unoaked white wines of northern Europe gathered on page 11.

with shellfish or terrines, and our mature Italian selection on page 13 with beef or veal main courses. Don't forget the versatility of Champagne as a food wine, or our range of dessert wines by the glass. Finally, Why not finish your meal with a glass of fine Cognac, Armagnac or Calvados.

If you would like to request a particular wine (even if it is not listed), would like a wine decanted in advance, or would like to discuss your food and wine choices, please do not hesitate to call us.

The Box Tree selection (page 2) is a range of varietals which give good value and for some are available by the glass.

If you have any queries about the list please don't hesitate to ask.

Andrew & Didier.

VINUM RIEDEL TASTING SET

This tasting set is an excellent introduction to Riedel stemware, the choice of wine connoisseurs worldwide. Offering four different glasses for sampling a wide selection of wines, it's an ideal way to begin a Riedel collection or to supplement an existing collection.

Each lead-crystal glass is from Riedel's Vinum series of stemware, shaped to enhance the characteristics of specific varietals.

The set includes one of each glass: 12.4-oz. Sauvignon Blanc, for light to medium-bodied white wines; 21.1-oz. Montrachet, for rich, full-bodied whites such as Pouilly-Fuissé and Chardonnay; 21.5-oz. Bordeaux, for complex reds including Merlot and Cabernet; and 24.7-oz. Burgundy, for medium-bodied reds such as Pinot Noir, Burgundy and Beaujolais.

Set of four £55.00
