Welcome

We are delighted to welcome you to our restaurant.

Our family-owned business originated over forty years ago in Bangkok where our restaurant became an award-winning establishment favoured by local politicians and celebrities. The family's eldest grandson, Vichai Kharmakham, ventured out to expand the business into England and in 1986 opened his first "Thai Orchid Restaurant", in Banbury.

Six talented brothers and sisters gradually joined Vichai to help expand the family business and gain an enviable reputation by capturing the culinary hearts of local people right across the Midlands and beyond.

Most importantly, our success is testimony to the exquisite presentation of our food, which is meticulously prepared using traditional ingredients and only the freshest produce. We hope you enjoy your meal and look forward to welcoming you again in the near future.
