

Welcome to the new Assembly House wine list.

There have been many hours spent tasting and evaluating all the wines on offer, but all that hard work, we think, has paid off. We believe that our new list offers, some interesting, different and great value wines.

There are wines available in both 175ml and 250ml glasses, and in a 500ml carafes. We have broken down the list so that you can find the perfect wine for you to match your food. Firstly we have 4 sections in both the whites and the reds.

For example, 'dry, herbaceous, aromatic whites' or 'warm, spicy, peppery reds.'

Within each section you will see 3 or 4 wines under different headings;

If you are looking for a great wine at a great price, you will find these next to **VALUE**.

We feel that we have uncovered a few gems in the new list that may not be too familiar, these are headed **DISCOVERY**.

Of course there are some recognised names on the list because sometimes, you cannot beat the **CLASSICS**.

Maybe you are celebrating, or want a stunning bottle to partner our fabulous new menu, if so head for something **POSH**.

We have also included 2 dessert wines in the new list. Something very much growing in popularity in the wine world. Our pastry chef spends hours making all things sweet so we found some stunners to accompany all that hard work! They are available by the bottle or as 50ml and 100ml tasters.

Please remember that our staff are here to help, if you want any advice on a food and wine match, or just want an honest opinion of our favourites, please do not hesitate to ask.
