## The History of Tewin Bury

The Williams family has farmed Tewin Bury, a 130-acre farm since 1932.

When the neighbouring farm came up for sale in 1980, the Williams' sold their cows and bought the additional land that was to take them into a new direction. As an experiment the family decided to open four rooms in their Farmhouse as guest accommodation. These rooms were a huge success and it was from here that Tewin Bury Farm Hotel was born.

The need for an on site restaurant then became a priority, which led to the conversion of the chicken shed, which has become renown throughout the local community as "The Tewin Bury Pie". Following the success of the restaurant further adjoining farm buildings were developed into bedrooms, banqueting and conference facilities.

Now, more than twenty years later, Tewin Bury Farm is a substantial and successful family business, comprising a 490-acre farm, a 29 bedroom country house hotel and restaurant, with eight function rooms of which two fully renovated period buildings offering the perfect wedding venue. All serviced by a dedicated and friendly team of staff who will ensure your visit is a very memorable one.

## The Tythe Barn

Constructed in the 17th Century, the spacious Tythe Barn is unique in its character. Retaining many original features, this barn has been sensitively restored over the last few years to offer an exceptional atmosphere for a corporate function or private party.

The Tythe Barn can accommodate up to 150 guests for a dinner and up to 250 for a more informal function.

It features the added luxury of under floor heating, the lights can be dimmed allowing you to create the perfect atmosphere and the fully equipped PA system will take care of all your audio requirements during your meal.

Imagine... Solid oak flooring throughout, exposed beams, a walk-way-bridge over the river that will take you and your party onto your own private patio and meadow, complete with wooden garden furniture and umbrellas, all overlooking the river Mimram.

## The Stable

The red brick Stable building, dating back to the 17th Century, is ideally suited to the more intimate celebrations.

This venue, with Minstrel Galleries at either end, has a very warm and cosy atmosphere. It is fitted with under floor heating and has exposed oak beams throughout.

With its original stable doors and windows this venue is highly popular. It has a serviced bar and direct access to the terrace overlooking the river, which makes it a delightful setting for summer barbecues.

## The Millstream

This self-contained suite on the first floor features a private bar, toilet facilities and disabled lift making it the most versatile venue for a wide range of parties.

It benefits from air-conditioning and has access to a roof terrace where reception drinks can be served.

Overlooking the river Mimram, the Bird Sanctuary and the Water Meadow, the Millstream's location makes it one of our most relaxing rooms. From birthday parties to christenings, anniversaries to private dinners, this room has all the facilities to cater for all your needs.

## The Tewin Bury Pie Restaurant

Converted many years ago from the original chicken shed, the locally renowned 'Pie' Restaurant offers a fantastic choice of food throughout the day.

The atmospheric setting with beautiful exposed oak beams and original features throughout, lends itself to the more informal set-up, and the ideal place for a special occasion or a family get-together.

The Pie also features a private dining room, which can accommodate a party up to 14 people.

At Lunch and Dinner we offer our guests a regularly changing à la carte menu, with at Dinner time a few specials on the boards, depending on the season.
