TEWIN BURY FARM

The History of Tewin Bury

The Williams family has farmed Tewin Bury, a 130-acre farm since 1932.

When the neighbouring farm came up for sale in 1980, the Williams' sold their cows and bought the additional land that was to take them into a new direction. As an experiment the family decided to open four rooms in their Farmhouse as guest accommodation. These rooms were a huge success and it was from here that Tewin Bury Farm Hotel was born.

The need for an on site restaurant then became a priority, which led to the conversion of chicken shed, which has become renown throughout the local community as "The Tewin Bury Pie". Following the success of the restaurant further adjoining farm buildings were developed into bedrooms, banqueting and conference facilities.

Now, more than twenty years later, Tewin Bury Farm is a substantial and successful family business, comprising a 490-acre farm, a 31 bedroom country house hotel and restaurant, 9 function/conference rooms of which two fully renovated period buildings offering the perfect wedding venue and our new Meadow Marquee that can accommodate up to 400 delegates for a meeting and a Carriage Company with several cars.

All serviced by a **dedicated and friendly team of staff** who will ensure your visit is a very memorable one.
