The History of Tewin Bury

The Williams family has farmed Tewin Bury, a 130-acre farm since 1932.

When the neighbouring farm came up for sale in 1980, the Williams' sold their cows and bought the additional land that was to take them into a new direction. As an experiment the family decided to open four rooms in their Farmhouse as guest accommodation. These rooms were a huge success and it was from here that Tewin Bury Farm Hotel was born.

The need for an on site restaurant then became a priority, which led to the conversion of the chicken shed, which has become renown throughout the local community as 'The Tewin Bury Pie'. Following the success of the restaurant further adjoining farm buildings were developed into bedrooms, banqueting and conference facilities.

Now more than twenty years later, Tewin Bury Farm is a substantial and successful family business, comprising a 490-acre farm, a 31-bedroom country house hotel, the Tewin Bury Pie Restaurant, 9 function/conference rooms including our new Meadow Marquee that can accommodate up to 250 guests for a wedding breakfast and party and a Carriage Company with several cars.

The Meadow Marquee

Tewin Bury Farm's latest addition!!

This beautiful marquee is set within the grounds of Tewin Bury Farm and has direct access to the wonderfully landscaped gardens along the Mimram River which is the perfect spot for photographs and a drinks reception, before enjoying your wedding breakfast.

This large venue is completely self contained offering a fantastic bar, toilet facilities, a cloakroom and a covered entrance.

In the Meadow Marquee we can cater for a large number of guests for a wedding breakfast and evening party. Should you wish to hold your Wedding Ceremony here we can offer you the option of a wedding ceremony in either our beautiful Millstream Garden or alternatively in our Millstream Suite.

Meadow Marquee

The Tythe Barn

Constructed in the 17th Century, the spacious Tythe Barn is unique in its character. Retaining many original features, this fully licensed barn has been sensitively restored over the last few years to offer an exceptional atmosphere for the larger wedding ceremony & evening reception.

Very recently we opened the minstrel gallery, which overlooks the main hall of the Tythe Barn and offers additional seating during your ceremony or wedding breakfast.

The Tythe Barn features the added luxury of under floor heating, so even your "winter" wedding will be warm. The lights can be dimmed, allowing you to create the perfect atmosphere and the fully equipped PA system will take care of all your audio requirement during your ceremony and wedding breakfast.

Imagine... Solid oak flooring throughout, beautifully exposed beams, a lovely walk-way-bridge over the river, that will take you and your party onto your own private patio and meadow, complete with wooden furniture and umbrellas, all overlooking the river Mimram.

The Stable

The red brick Stable building, dating back to the 17th Century, is ideally suited to the more intimate celebrations.

This venue, with Minstrel Galleries at either side has a very warm and cosy atmosphere. It is fitted with under floor heating and has exposed oak beams throughout.

With its original stable doors and windows this fully licensed venue is highly popular with many brides & grooms to be, for both Wedding ceremonies and breakfasts.

After your ceremony, you and your guests will have the opportunity of using the Farmhouse Gardens that offer the perfect backdrop for both photographs and reception drinks.

In case the weather takes a turn for the worse we will also offer you use of our Stockman Room and Countryman Lounge, which are an attractive alternative for photographs and your drinks reception and will ensure you and your guests stay warm and dry

The wedding breakfast and evening reception are both held back in The Stable, where you will have your own serviced bar and access to a patio area, overlooking the river.

The Millstream Suite

Situated on the banks of the river Mimram, this first floor venue, with a private garden offers the perfect setting for a wedding.

The sympathetically converted Millstream Suite is self-contained, with a private bar, separate toilet facilities, access by disabled lift and even has the option to bring along your own music in the form of an Ipod which can be plugged straight into the high Tec sound system!! The well thought out design allows for ample natural daylight and fantastic views over the river.

The newly landscaped Millstream garden, which is also licensed for outside weddings, features a specially commissioned wooden pagoda, covered bar and barbeque facilities, a generous amount of seating and night lighting for when the sun goes down.

The wedding breakfast and evening reception would both be held in the Millstream Suite, with fantastic photo opportunities for wedding photos in the garden featuring the wild life bird sanctuary and water meadow just the other side of the river...
