We look forward to seeing all of you this summer! Last year was again a good fishing season so let's hope it will be just as exciting again in 2013. The water was at the normal level in 2012 but with the huge amount of snow this winter, its hard to predict! Bryan thinks it will be higher, and better fishing this spring. We offered a new laundry service last season and a few took advantage. We got our new pop cooler up and running as well as a new upright freezer. Every year we try and upgrade equipment and this last summer we were extremely gracious to accept a wonderful donation of new mattresses. Tears of appreciation were expressed to Doug Carswell of Lloydminster as he delivered the first load with promises to deliver the second load in May for you all to enjoy a better nights sleep! We did enjoy setting off the fireworks on July 1st but kick ourselves for not hosting the Pancake Breakfast. Somehow the Bean Bag tournament was missed this year as well...maybe because Linda just couldn't let her win go challenged! Both of these activities will be re-instated this year. Potable water will be flowing thru our water lines as a water chlorination/filtration system is being installed.
Linda & Bryan

Costly Fishing Trip: Two avid fishermen go on a fishing trip. They rent all the equipment: the reels, the rods, the wading suits, the rowboat, the car, and even a cabin in the woods. They spend a fortune. The first day they go fishing, but they don't catch anything. The same thing happens on the second day, and on the third day. It goes on like this until finally, on the last day one of the men catches a fish. As they're driving home they're really depressed. One guy turns to the other and says, "Do you realize that this lousy fish cost us fifteen hundred dollars?" The other guy says "Wow! It's a good thing we only caught the one!"

Once again, please get your reservation in ASAP. As each day goes by, spots are filled. If you are still thinking about Monthly sites, it is imperative you call ASAP. If you are wanting a site for all season, please speak for one for next year. (All season sites must be spoken for by January 31st). If you want a non-electrical site, it may still be possible for all season and monthly.

We performed minor surgery on a Pelican this year. He had a Crappie Rig wound around and lodged in his wing. It is wonderful to see a happy bird swim away. He actually came back up our boat launch a week later to check us out, maybe it was to say thank you!

This year we had several (ok, a lot) of our big trees go down in plow winds. We were sorry to see all the damage to RV's, vehicles, etc.... every year it seems we have to realize we are no match for Mother Nature. If at any time you feel the need, please come join us in our house. That's one of the reasons we built a basement. The last big storm we were watching out the windows and hoping no trees came down. We didn't see any. Only once it was calm again did we wonder past the lodge and see the damage. For every tree that goes down, we try to plant 3 in its place.

Neighbour "Colorado Bill" didn't celebrate his 96th birthday with us this year as he had to return home for medical reasons. He has a pacemaker now so watch for him doing laps around all of us this summer! We all are his extended family. We hope he continues to drive up every summer for many more years!

The Biggest Pike for the July 1st Derby went to Dave Shepherd. Lucas Walls won for the biggest Walleye.

Our rental rates have gone up a wee bit this year. As with everything, the bottom line gets thinner and thinner. To help we would like to request that you try and use debit or cash for your remaining registration when you arrive. Our VISA and MasterCard rates are outrageous and we could put those funds to better use! Currently we spend over \$2000 a year just on credit card fees. We would like to thank everyone for their support, their gifts, donations and all the tips. We strive to make your vacation pleasant and stress free. At any time, please ask for what you need and we will try to make it happen. We look forward to seeing all of you again this season.

Rent a cabin for 6 nights, then get the 7th night FREE! Bring Bedding, Towels, tea towels, etc. or packages are available for \$20 per bed per night. Don't forget your axe and wiener sticks, and also camp chairs and a fan if you expect hot weather. Some people may want to bring their own pillow so you get a familiar nights sleep. All cabins come equipped with pots and pans, dishes, etc. If you have a favourite fry pan feel free to bring it along. We are always grateful for donations to our cabins so if you have anything that you don't need anymore and still is in good condition, please either bring it along or call us to see if we could use that item: Mattresses, Fridges, Stoves, Hot Water Heaters, Couches, Chairs, Coffee Pots, Toasters etc are always needed to upgrade what is already in the cabins.

ALL PERSONS MUST REGISTER BEFORE PROCEEDING TO A CABIN OR CAMPSITE, INCLUDING VISITORS.

Pets are welcome however: They must ALL be on a leash at all times. Clean and maintain after your pet. No excessive barking. Pets are to be in a crate if you are renting a cabin. If your pet is not crate trained, then you may want to find alternate arrangements at a kennel, etc. The next tenants of the cabin may have an allergy to your pet!

Any damage or extra cleaning to cabins or campsites on our property will be assessed and charged accordingly. Please respect our property so others may enjoy the beauty of nature.
