Quality Preparation and Installation

Each stairlift is prepared by our fully qualified stairlift engineers who have over 25 years experience. We follow the latest manufacturing guidelines and British safety standards. Our installations cause no disruption to your home and are carried out with care and attention.

Fast Delivery

We know how important it is that when purchasing a stairlift you get it as soon as possible. At Unicorn Stairlifts we offer fast delivery on both straight and curved stairlifts. Next day installation is available on some models.

Warranty As Standard

Our warranty as standard is fully comprehensive and covers your stairlift from the day of installation. It covers call outs, labour and parts. We also offer extended warranties for added peace of mind.

After Sales Care with 24 Hour Response Service

Once your stairlift has been installed, our Customer After Sales Team are only a phone call away. They are on hand if you need help or assistance with your stairlift. If your stairlift requires maintenance attention for example, we will send out a stairlift engineer within 24 hours.

To Book a **Free** no obligation staircase survey, please call us on **0800 5879505**

Our home surveys are carried out by our professional and friendly surveyors – we will never send a sales person to your home.

We are suppliers of the very best stairlift manufactures....

What our customers say....

"I'm so glad I had my re-conditioned stairlift installed. I cannot believe it - I saved so much money, and it looks brand new! My stairlift is such an asset - it's never let me down." **Mrs J Firth, Morecambe, Lancashire**

"My life is so much easier now - no more struggling up the stairs! Your technical experts arrived the day after I ordered, and carried out a superb, smooth job. What a brilliant service!" **Mr T Bates, York, North Yorkshire**

"Super service overall. Came to measure my staircase at the start of the week and was installed by Thursday. Could not ask for a better service. Thank you." **Mr S Grant, Leeds, West Yorkshire**
