It's All About Options

TOPYX: clear cut pricing

Add only what you need

TOPYX comes with award-winning features, but in case you need to further customize, the options below are easy to implement into your instance.

Unique Choices

Option	Description	Price
eCommerce	An embedded client branded eCommerce engine with seamless linking to client branded Website PAYPAL PRO account in TOPYX (Client establishes and maintains the Website PAYPAL PRO account). Note: Other eCommerce options are available	\$2,400/yr
Languages	Engage your learners in their native language - TOPYX supports most left-to-right or up-and-down languages with a one-time set-up fee per language and a yearly maintenance fee per language.	Per language: \$3,000 One-time fee \$1,500/yr thereafter
Additional Custom Skins	Additional skins offer unique branding to user groups, catalogs, communities and emails	\$1,000 per skin One-time fee
Single Sign On	Log into TOPYX via your internal system access	\$1,000 One-time fee
Third Party Course Catalog	Purchase courses from third party content developers that meets your needs	Priced by course or bundle
Administrative Services	We are available to set-up and maintain your TOPYX site for you. For example - we will load content, create courses (with the materials you provide), programs, learning paths, manage users and groups, plus provide reporting. If it has to do with your TOPYX site we will do it for you to help supplement your staff or save you from adding staff. Additional staff training after implementation period.	\$125/hr or \$9,500/yr for full service
White Labeling TOPYX	Ability to remove TOPYX identification	\$2,500 One-time fee
Custom Work	We can assist with integration needs, historical data imports, marketing tiles, flash programming, custom skinning, and much more to help get your instance where you need it to be.	Quoted at time of request
