Web Site Design Packages

As every web site is unique it is best to contact us and discuss your exact requirements, then we can give you a more accurate quote.

The prices below are for typical sites, although as every site we produce is different these are only very approximate guidelines, you really need to contact us for a quote.

Starter Package: Ten page starter web-site with with menu bar, customized graphics and enquiry form. View sample page $250

Ecommerce Package: Unlimited Product Posting with shopping cart and secure checkout. View sample page $650

Business Package: Unlimited page web site with multi-level navigation, more complex styling and some interactive elements and content management system. View Sample page $500

Updating of pages: $15   + VAT per hour

If you have a smaller budget contact us and we will be happy to help you. If you are a non-profit making organization we offer price reductions. Don't forget you will need a hosting for only $40/Year with Free Domain.

Your web presence is our business
