Parklands forms part of the popular area of Blaauwberg, also known as Blouberg and is flanked by areas such as Sunningdale, Table View, West Beach, Blouberg Rise and Bloubergrant.

This area is one of the country's fastest growing areas on the highly sought after Atlantic coastline.

Being in the Northern suburbs, we are centrally located:

- 18 km from the city centre and the V&A Waterfront
- 15 minutes' drive from the Durbanville Wine Route
- 15 minutes from Century City one of Africa's largest shopping malls
- Within easy walking distance of many shops, restaurants and pubs
- Bayside Shopping Centre with its numerous shops, cinemas and restaurants is easy to reach by bus

The recently completed My City Bus Service has made travelling to and from town and the airport a joy, and a wonderful local network of busses makes getting about easy for those without a vehicle.

Parklands is about 3 km or 8 minutes from the sea and the sandy, white stretches of beach and the fabulous view of Table Mountain make this area one the most attractive in the Cape.

The sea and beaches are perfect for kite surfing, sun worshipping, long walks and swimming. Big Bay has become a popular area for its vibrant beachside restaurants, cafés and clubs.
