"Cambodia's helicopter charter and scenic flight company!"

THE ULTIMATE ANGKOR WAT EXPERIENCE

"Welcome aboard Helistar Cambodia!"

That's the first thing you will hear as you are greeted at either our Phnom Penh or Siem Reap bases and escorted to either our modern, French-built Eurocopter AS350 B2 and AS350 B3+ helicopters, with luxury seating and flown by experienced foreign pilots.

Helistar Cambodia is the leading helicopter transport provider in the Kingdom of Cambodia. We have flown thousands of satisfied passengers on various types of missions, including Charter and Scenic Flights, Mineral Exploration and Mining Support, VIP and Hotel Transfers, Medevac Flight, Aerial Filming and Photography, Agricultural Concession Surveys.

Helistar Cambodia is fully compliant with the Cambodian Civil Aviation Regulations, meeting standards set by the International Civil Aviation Organization (ICAO), and the company has a stringent safety policy adopting World's Best practices.

We employ full-time qualified expatriate pilots who have built-up extensive experience of Cambodian flight operations, terrain, flight paths and safe landing locations.

With a support team from Flight Operations, Engineering, Quality Assurance & Safety, Ground Support and Admin staff it allows Helistar Cambodia operate 7 days a week to all parts of Cambodia from our bases in Phnom Penh and to all Siem Reap. Our maintenance facility at Phnom Penh Airbase conducts regular maintenance programs that meet manufacturers' guidelines and comply with Part 145 ESEA approval.

Whether your requirements are scenic or charter flight, VIP or government travel, mining operation support, or property inspection, you can be assured that we will value your business, and will go that extra mile to ensure that your flight is memorable.

We look forward to serving you.

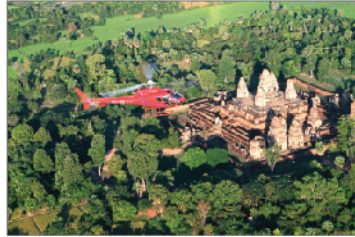

Be amazed by the enormous scale of the World Heritage site of Angkor. Your flight begins from Siem Reap International Airport, then onwards to Angkor Wat. Fly just outside the moat of the magnificent Angkor Wat temple and the size and beauty of this archaeological wonder. The 14 minutes flight also takes in views of Bakheng Mountain, Srah Srang, Prasat Pre Rup, Prasat Ta Som and the picturesque Eastern Mebon.
