FOR ESTIMATING NUMBER OF PEOPLE THAT
MAY BE SEATED IN A GIVEN AREA:

ROUND TABLES: Divide area (square feet) by 10

RECTANGULAR TABLES: Divide area (square feet) by 8

These figures are for "maximum seating." If additional space is available for more comfortable seating, allow an additional 2 square feet per person. This allows for more chair room and aisle service. To avoid a "bottle neck" at your party, divide the buffet and bar tables to keep the traffic flowing.

ABOUT RENTING

All Charges are for time out, whether used or not. Please make your selections carefully.

RESERVATIONS

We encourage you to reserve your party and banquet equipment needs well in advance, especially during the busy summer months. This will insure availability and allow ample time for your order to be packed and double checked in time for delivery or your pickup. In general, a deposit is required to hold most items, especially on high demand items.

PAYMENT

FULL PAYMENT for all rental merchandise, and any additional services or deposits, is due in advance of the receipt of your equipment. Credit will only be extended to pre-approved accounts. 48 hour notice is required for any changes to an order to avoid additional charges.

DELIVERY

Delivery is available at a minimal fee throughout the Front Range and to most mountain locations.

Delivery is available to the door at street level. If you need items moved, there will be an additional charge.

Special containers are provided for china, silver, glassware, etc., to insure that you receive your items sterilized, undamaged and "table ready." Our delivery personnel are instructed to neatly stack all items in a mutually convenient place on delivery.

Our count of items must be accepted unless we are notified IMMEDIATELY. NO CREDIT will be given for unused equipment unless it is returned with our delivery people or by the customer PRIOR to the start of your party.

PICK UP

All china, silver, utensils, etc., should be rinsed, food-free and re-packed in the same containers as delivered. A charge will be made for all boxes and crates NOT returned. All breakage, loss and cleaning charges are in addition to rental charges. Linen should be refuse-free and dry to prevent staining and mildew. Tables and chairs must be knocked down and stacked ready for pick up. Wax must be removed from candelabra.

All items should be assembled in a single location as specified earlier, ready for pick up. Items not meeting these conditions are subject to additional fees.

If a Sunday, holiday or after hours pick up is requested, a service charge will be added to your order.

SET UP - KNOCK DOWN

Set up and knock down service is available at a reasonable additional cost if arranged for in advance. If no arrangements are made and this service is desired on delivery, our drivers must call for authorization and pricing.

LOSS OR DAMAGE

Responsibility for equipment remains with the lessor from the time of delivery to time of return. Please be sure equipment is secured when not in use and protected from the weather. We do charge for missing, broken, burned or damaged items. China, glassware, etc. will be considered broken if returned chipped. We do not rent china or glassware that is chipped; once it is chipped we discard it. If you discover a chipped or broken item when you unpack your order, please notify us at once so that we can note it on your contract and not charge you for it.

PARTY TIME RENTAL appreciates your patronage, and we will do everything we can to insure your event is a success. We pride ourselves on our quality, service and value.
