

New York/Jersey City Group Event Pricing

Pole Position Raceway (P2R) is the home to the premier indoor motorsports entertainment facility in Jersey City, NJ. Located minutes from the Statue of Liberty, Pole Position Raceway was built *for racers by racers*; NASCAR Champion Kurt Busch and 7-time AMA Supercross Champion Jeremy McGrath and Travis Pastrana, the Extreme Sports Icon are all participants at P2R.

Pole Position Raceway uses the fastest indoor karts in the United States; capable of reaching up to 45 MPH. Combine this speed with a unique, European-style track, and your group will enjoy the ultimate racing experience. P2R features the latest technology in indoor karting by providing all electric, emissions-free race karts. Our indoor speedway is a 80,000-square-foot facility that features three private event rooms and areas with state-of-the-art audiovisual equipment. Arcade games, billiards tables and racing memorabilia

throughout the facility makes Pole Position Raceway a must see for all race fans.

Pole Position Raceway is New York/Jersey City's favorite place for team building exercises, company outings or personal celebrations. Groups of all sizes receive VIP treatment, adrenaline-filled excitement and overall group satisfaction. Choose from P2R's race packages, such as the Pole Position Challenge or Grand Prix or buyout the track by the hour. If selecting the hourly rental, our staff can customize race formats not offered to the public, provide exclusive racing, access and staffing and provide the specific ambiance that you seek.

Custom Race Events

Team Endurance Challenge – The ultimate team-building competition comes to life in this extended head-to-head team relay format. Racers take turns competing on the track and throughout numerous driver-changing pit stops. Recommended for one hour of non-stop racing excitement with 30 or more racers. Strategy is the key to victory in this test of skill, consistency and teamwork.

Tournament Racing – Your entire team competes in this customized, adrenaline-filled race, which is similar to our Grand Prix or Pole Position Challenge formats. Racers progress through practice, qualifying and elimination sessions, then move on to victory lane and the trophy presentation. This Race is great for team building and for any size of group.

Team or Elimination Racing – P2R can design a race program to suit any group size or requirements. Race head-to-head or against the clock, combine racers and times, or eliminate drivers as they progress through multiple rounds of racing. It's up to you how many drivers and teams advance and the number of prizes awarded!

Pole Position Raceway will create customized Racing Styles and Formats for Team Building, Competitive and Social interaction including Reverse Racing, Blind-Folded Racing and Beach-Ball Racing.

Facility Information

Karts

Pole Position Raceway features state-of-the-art, high-performance electric karts with speeds capable of 45 MPH. P2R is the first to bring these 20-horsepower, emission-free karts to Syracuse and the performance is absolutely incredible! The electric karts accelerate harder and faster than their traditional gas-powered counterparts, create no exhaust, and produce real g-force in the turns. Pole Position Raceway also has junior karts for those who are at least 48" tall and can safely operate the karts.

Track

The track is a quarter-mile, European-style road course featuring long straight-aways, hair-pin turns and many unique racing elements. NASCAR Champion Kurt Busch personally helped with the track design to make it challenging and fun for both novice and experienced racers alike.

Timing & Scoring

Pole Position Raceway features *SpeedSheet™* timing and scoring. Every guest racing at P2R receives a *SpeedSheet™* scorecard which details and graphs every lap time, position in the race and all race statistics! Compare results to the best of the week and overall track records.

Group Upgrades

Catering

Pole Position Raceway has one private event room and one private event and meeting space in which food and beverage may be served. Our professional catering partners can offer many different food and/or beverage packages including full buffets, sit-down menus, boxed lunches or a cocktail hour with hors d'oeuvres. Contact P2R for the current menus, and please note that all food and beverage

must be set up in advance. Also keep in mind that Pole Position Raceway has a zero tolerance policy towards alcohol and drugs prior to racing.

Arcade

State-of-the-art gaming technology is offered throughout the Pole Position Raceway facility. Whether it is a game or billiards or a round of video golf, P2R has it all! In total, our facility houses more than 20

video games and several billiards and air hockey tables. Pole Position Raceway offers arcade credit in monetary increments – the perfect compliment your group’s racing experience.

Awards

Pole Position Raceway has a variety of trophies and medals that are available with many of the racing packages. Please contact P2R for current options which can include custom engraving, trophies and plaques.
