

Pole Position Raceway is home to the premier indoor motorsports entertainment facility in New York/Jersey City, just one mile from the famed Statue of Liberty. Our 80,000 square-foot, two-track facility features the fastest electric karts in the United States, perfect for racers and beginners alike. State-of-the-art entertainment, one-of-a-kind motor-sports memorabilia and white-knuckled excitement make Pole Position Raceway the ultimate indoor racing experience.

TESTIMONIALS

"Thanks for the amazing experience. I love this place!"

**Travis Pastrana /
Extreme Sports Icon**

"The coolest kart track I've ever experienced. This is real racing."

**Stanton Barrett /
NASCAR Busch driver**

"I love the intensity. There's always a lot of competition on the track. This place is cool!"

Jeremy McGrath / 7-time AMA Supercross Champ
