Driver Requirements : 1

BMW 4 SERIES & MERCEDES CLA AMG

- Driver must be 21+
- Held License Min 2 Years
- No More then 3 points
- No Convictions in Las 5 Years
If you have a conviction, please tell us immediately as our insurance may not be able to insure you. We are usually 99% Successful on insurance Referrals

If you meet the requirements and have the necessary documents for your rental then you will have no issues with just arriving and picking up your rental vehicle.

If you do not meet the requirements, there is still a 90% chance we can insure you.

Some endorsements / convictions may have expired on your license but we will still need to be made aware of these before placing your booking, Such as Driver Banns, Drink Driving , TT99 And more. If you have had any convictions or even currently have more then 3 points , we have a system which is called "Driver Referral". This system allows us to ring the insurance and get you added to our insurance policy please do this at the time of making your booking before you book with us.

If you arrive and do not bring the required paperwork or do not meet our driver requirements we will charge the full rental cost due and cannot rent you the vehicle. Please call if you have any questions
