BAR LIST

Welcome to The Glasshouse Bar. A relaxed and contemporary setting, it's an ideal place for catching up with friends, colleagues or enjoying a pre-dinner drink.

Whilst enjoying your drink, take a look around and discover an amazing array of art both inside and out. Dominating the view across our Formal Gardens are six 200 year old olive trees as well as a host of sculptures.

The magnificent tree that presides over the terrace beside the Mansion lounges was a present from Captain Cook and given to the Earl of Clarendon as a sapling of the then just-discovered Black Walnut Tree. Enjoy its majesty with a drink on the terrace in fairer weather, or cosy up to the open log fire on those wintry nights!

However you spend your time, we truly hope that you enjoy your visit and return again soon.

CIGAR LIST

Cigars have experienced resurgence in recent years as people begin to appreciate the sheer complexity of flavour and the workmanship involved in this hand-made product.

Whilst undeniably best suited as a post-dinner digestif accompanied by a fine spirit, cigars are incredibly versatile and the lightest styles can be enjoyed throughout the day with a wide variety of food and drink.

Our more delicate cigars will marry beautifully with a glass of red wine or a coffee, whilst stronger blends partner malt whisky or brandy.

For sheer authenticity however we recommend aged Caribbean Rum.
