*In this fast paced world, knowledge of English is indispensable. Whether studying for a long time, or taking a refresher's course, learning in a foreign environment gives the person autonomy and confidence in his or her linguistic abilities. At Malta University Language School, which is part of the University of Malta, we encourage our students to employ their pre-existing knowledge of English while at the same time promoting learning in efficient and effective ways, always using the latest methodology and materials, as well as interactive and enjoyable styles.*

***Do not restrict your future opportunities***

# *Tuition Description*

## *General English*

Using a communicative approach, teachers develop English classes to teach **reading, writing, speaking** and **listening**. This course follows the guidelines set out by the **Common European Framework**.

Courses take place from Monday to Friday throughout the year. Tuition prices include **15 hours** and all materials. **All levels available.**

## *Intensive English*

The Intensive English course **involves an extra hour** of teaching on top of your General English course, ensuring a rapid improvement in your level.

Courses take place from Monday to Friday throughout the year. Tuition prices include **20 hours** and all materials.

## *Combined English General + Business*

This course offers each student 15 hours of General English covering reading, writing, speaking and listening. The student then joins another class for an additional 7 ½ hours a week during which the focus is solely on Business English.

Courses take place throughout the year from Monday to Friday. Tuition prices include 15 hours General English and 7 ½ hours in a Business English class per week and includes all material.

## *Combined English General + One to One*

This course offers each student 15 hours of General English covering reading, writing, speaking and listening. An additional 5 hours a week are then taught on a one to one basis with a focus on business, legal, nursing, medical, aviation, hotel management, tourism and technology English.

Courses take place throughout the year from Monday to Friday. Tuition prices include 15 hours General English and 5 hours one to one lessons per week and includes all material.

## *Specialised One to One*

During specialised lessons our qualified teachers prepare the lessons according to the student's request. The school offers a wide range of possibilities, amongst which are Medical, Aviation, Legal and Business English.

Can be availed of by the hour or as a weekly package.

## *One to One*

This gives students the opportunity to interact with a teacher on a one to one basis. The teacher can focus his/her attention solely on the needs of the student, targeting weaknesses and focusing on fluency and accuracy.

Can be availed of by the hour or as a weekly package.

### *IELTS/Pre-Proficiency Course*

Is a **9 week course** which runs at the same time as the Proficiency course. This is a **step-up course** which prepares students who are at a lower level to enter the Proficiency course. At the end of the nine weeks an examination will be given to determine students' scores.

Courses take place **four times per year** on a pre-set date. Tuition prices include **15 hours** of lesson time and all materials. Students must be at a **high intermediate level**.

### *IELTS/ Proficiency Course*

This is a course aimed at prospective students who wish to obtain an entry qualification to an English speaking university, including the University of Malta. This course is a stepping-stone for overseas students whose first language is not English and who must provide evidence of their level of proficiency in English in order to enroll in either a Foundation Course or an undergraduate degree at an English speaking University.

Courses take place **four times per year** on a pre-set date. Tuition prices include **15 hours** of lesson time and all materials. Students must be at a **strong upper-intermediate level**.
