

Commission a Portrait by Ally Benbrook

PO Box 1405 - El Cajon, CA 92022 - (619) 301-6854 - ally@allybenbrook.com

Commissioned portraits are my specialty! I need a minimum of 2 or 3 good clear photos (digital is fine), and please do tell me about the personality of the subject. I can visit and take photos for an extra fee.

Approximate Painting Size:	One Subject	Each Additional Subject
10" x 12" or smaller	\$210	\$150
Approx 15" x 16"	\$450	\$200
Up to 21" x 24"	\$925	\$250

Your painting will be matted, but not framed. I find that most collectors prefer to have their paintings framed themselves to fit into their interior. Note, your framed size will be at least 7" wider in both height and width than the actual painting.

A non-refundable 50% deposit is required for me to start the painting. Please allow approximately 6 weeks for completion. The balance of payment is due when the portrait is completed. Sales within California will have your local sales tax added.
