

Welcome to our Wine List

We take our wine list just as seriously as our food and are proud to offer our fantastic list, built up over 17 years, with the help of our wine merchant Christopher Piper Wines.

We have changed the layout of our list, as we felt that we often know what style of wine we want to accompany our food, but that a Cabernet Sauvignon, for example, could be extremely fruity and fleshy or dense and tannic, and there is no way of knowing this by considering its country of origin alone.

Grouping by style and flavour profile opens up wine regions and grape varieties we might never have considered, and could ultimately lead to a love affair with totally new wines!

We offer nearly a hundred different wines, which we feel offer fantastic value for money at every level, having personally tasted them, looking for wines of real character, which express their roots - regional and grape varietal.

We did not want to just offer big names at a price point.. Ultimately we believe that wine, at all levels, should be a pleasure to drink, that along with our fabulous food, will create an experience that will be remembered long after the name of the wine itself!

We don't offer half bottles as the packaging costs render them comparatively expensive, but we have a great selection of wine available by the glass, and we are always happy to give you a cork to take any undrunk wine home with you should you wish to try more than one style of wine with your meal.

Please do not hesitate to ask for any advice on choosing your wine.

Enjoy!

*Fabulous wines very carefully selected to cover most styles,
and offer fantastic value.*

Complex, Elegant Medium-Bodied Reds

Classic wines, these are stylish and elegant, perfect with all meat dishes, and for those who prefer a less fleshy, European style of wine.

The complex flavours of these wines are wonderfully enhanced by fairly simply cooked, traditional meat dishes, but heavily spiced, or fruity meat dishes are best avoided.

Listed lightest first.

80. **CHATEAUNEUF DU PAPE, 2009** £50.00
Domaine de Roquette
When the Brunier family bought la Roquette in 1986, (already owning the famous Vieux Telegraph estate) no one really realised the potential of this extraordinary 40-hectare property. The domaine is made up from a number of parcels of very old vines (average age 45 years) and has leap-frogged into the top division in the past five years or so. Since 1994, none of the reds have been filtered or fined and the 2005 (a blend of 70% Grenache, 20% Syrah and 10% Mourvèdre) is voluptuously textured and is very rich with a domination of spicy mulberry and blackberry fruit and an almost floral bouquet.
81. **BOBBIE BURNS SHIRAZ, 2009** £34.50
Campbells Estate, Rutherglen, Victoria
A beautiful deep crimson red colour and bouquet exhibiting spice and blackberry, with subtle vanilla and a hint of chocolate. The palate is spicy, yet has a quite dense, mouth-filling fruit. A core of rich plum and blackberry fruit fills the mid-palate. This vintage is faithful to the Bobbie Burns Shiraz style, with big, soft fruit flavours that make it very enjoyable whilst young, but belie its long cellaring potential. As with previous vintages it is the perfect wine to enjoy with all full-flavoured meat dishes.
82. **CABERNET SAUVIGNON, 2008** £31.00
Jordan Estate, Stellenbosch
This wine (the 1998 vintage) was voted the best Cabernet, from anywhere, in the 2002 International Wine Challenge. The 2007 is equally good, full of rich cassis fruit with superb structure, ripe tannins and a whiff of mint.

Pic St Loup, Languedoc, France

"At 658 metres altitude, between the sea and the spurs of the Cevennes hills, the Pic Saint Loup is bursting with perfumes, pure essences of the most northern of the Languedoc appellations; holm oaks, garrigue scrubland, pines, thyme, laurel, rosemary. The fruits spring to life from the heart of varied soils, chalky-clay on marly sub-soils, and forge their character over contrasting seasons. In winter, the earth receives enough water to balance out the moderately dry summer and the swings in temperature between day and night. La Bergerie du Capucin, extends over more than 12 hectares, on Pic Saint Loup land, in the communes of Lauret and Valflaunès. Only a few kilometres away from our home, winery and cellars, La Bergerie du Capucin stands proud: a property which has been in our family for more than sixty years, it is an everyday reminder of Jeanne, our ancestor, whom we wish to honour.

Because wine is also a family affair, its beauty and its bouquet of aromas reflecting the values transmitted from generation to generation. Jeanne, an elegant, beautiful, very vivacious shepherdess on the high plains of the Bergerie du Capucin - inspired our first wine, reminding us of the delicate, round characteristics of our family wines and the hill paths she trod each day" **Guilhem Viau, Proprietor and winemaker**

Lovely white pepper aromas can be found throughout the wine which finishes with redcurrants and Espelette peppers. With its well-balanced firmness, this Rosé is particularly suited to food". **Paris 2012 Francis Hoerler**

White Wines

100 PAS, 2010 - Vin de Pays d'Oc

So called (100 footsteps) because when it was first made in 2008, the harvest was very late, and Guilhem was pacing the cave, waiting to pick! 100% Chardonnay, this wine really impressed us with its minerality, and elegance. Dry, but silky and very easy to drink, a good aperitif, and great with white fish.

DAME JEANNE BLANC, 2010 - Vin de Pays du Montferrand

Chardonnay and Viognier, the Dame Jean is more complex, and subtle, with a herby, fresh pear and citrus quality. Perfect with grilled fish, soft cheeses, and simple chicken dishes.

95. **MOSCATEL DE LA MARINA 2010** Bottle £25.00
 Bodegas Mendoza, Alicante, Spain Glass 125ml £ 5.00
A boldly flavoured yet elegant Moscatel (a dessert wine made from the Muscat grape) that displays a degree of finesse far in excess of that expected from wines of this style. Pale yellow coloured and opulently scented, succulent flavours of freshly picked grapes, lemon leaf and honey are to the fore in the glass. The wine has a lovely, lingering finish of dried candies and honey on the palate. The wine is 'structured' and developed due to the ageing in oak barrels, which gives extra depth/complexity and also stops it being overly sweet.

It is lusciously honeyed and fabulously exotic, decadently potent, and as you'd expect, the acidity is utterly gorgeous, cleaning up the palate after every sip. 'Matthew Juke Top 205 wines – 2005'. We heartily agree. This wine shows dried apricot, spices and honey characters on the nose. The mouth feel is full and big and very balanced with a long lingering aftertaste. The sugar is very well balanced with the acidity and is not cloying.
98. **ALEATICO DI PUGLIA, 2009** 50cl £28.50
 A Mano, Puglia
*Added to our list by popular request as a result of our Italian dinner, where it was a star! Made from sun ripened grapes, brimming over with flavours of raisin, stewed apple and spice - this wine is a **fantastic accompaniment to cheese**, especially salty and blue cheese, or as an after dinner tippie instead of Port.*
99. **REFLEXIO, Hors d'Age Vin Doux Naturel** 50cl £28.50
 Castell Pesilla, Roussillon, France
This is one of the great traditions from this area of France. From a blend of several vintages (Hors d'Age) of Macabeo and Grenache grapes (Very old vines) all hand-picked in the cool of the morning and then fermented at 18 degrees before the addition of alcohol which arrests the fermentation leaving the resultant wine intensely sweet. The complexity of flavour one experiences from this wine has to be tasted to be believed. It exhibits aromas of orange marmalade and candied apricots. On the the richly honeyed palate one finds notes of vanilla, honey and ginger bread. It is hauntingly delicious. Perfect with strong cheeses, sticky puddings, and foie gras!

White

Chenin Blanc, 2011

Klippenkop, Robertson Winery, Robertson

Due to such high demand for their wines the Robertson Winery now operates 24/7.

Demand that has frequently been justified by the praise of John Platter in his famous guide to South African wines.

Packed with upfront tropical fruit, the nose charms with an abundance of guava and gooseberries. The palate follows through with fruit flavours, balanced by a crisp acidity to ensure a fresh and fruity wine with a slightly honeyed finish.

Per 175ml glass £4.95 Per Bottle £19.50

Red

Shiraz/Cinsault, 2009

Riebeek Winery, Swartland

Riebeek Cellars, established in 1941, is situated in Riebeek Kasteel at the foot of Bothma's Kloof Pass. This medium-sized winery on the western coast of the Cape Province of South Africa sources its grapes from the fertile Riebeek Valley and the slopes of the mountain where the climate is very similar to that of the Mediterranean. Through the years as vineyard practices developed, cultivars have been planted in soil and on slopes best suited to them

This exciting blend introduces an array of ripe berries and follows through in a juicy well-structured palate with a smooth finish.

Unwooded and easy-drinking, it's perfect as a glass on its own, and its spicy acidity makes it a perfect foil for Lamb, Game Birds and Venison.

Sherries

We are proud of our Sherry selection - looking to smaller specialist producers rather than the ubiquitous brands.
They really are a superb aperitif - spanning as they are said to stimulate the palate.
We urge you to try one - the Amontillado Secco is especially recommended

Per Glass

Manzanilla “La Gitana”

£3.25

Hidalgo, Sanlucar de Barrameda

Manzanilla is the lightest and driest of all sherries and can only be produced in the town of Sanlucar de Barrameda where the unique micro-climate allows a special growth of ‘flor’ (yeast) to grow on the surface of the maturing wine, protecting it from oxidation. “La Gitana” is an absolutely classic example of this unique wine; it is beautifully balanced, fresh and delicate with a “touche” of sea-saltiness and a pure, nutty-fruit zestiness.

Amontillado Secco, “Napoleon”

£3.95

Amontillado for the purist, originating from Manzanilla sherry and obtained from years of ageing. The flor is allowed to die whereupon the wine oxidises into an Amontillado. It is dark with a rich, nutty aroma, a full complex flavour and is completely dry. The nose is redolent of peanuts and caramel and the wine has a powerful and crisp acidity with a long finish.

The following are all from the producer Delgado Zuleta, Jerez, Spain

Fino

£2.75

A very light, dry style of sherry with a “pale straw” colour. Delicate in style but surprisingly assertive in flavour, this tastes of sea salt and roasted almonds. The finish on the palate is tangy and persistent making it a perfect aperitif.

Amontillado - Medium Dry

£2.75

Less dry than fino but still finishing dry on the palate with plenty of zest and “lift”. It has a richer nuttiness (hazlenut) plus a hint of sweetness and extra colour from the addition of a touch of Pedro Ximenez, which is the second grape of Jerez.

Cream - Sweet

£2.75

- Dark oak in colour and discernibly sweet. This has a relatively high % of Pedro Ximenez in the blend, producing a very smooth, almost velvety texture on the palate. The nuttiness of the drier Sherries has all but disappeared but it is replaced by flavours of dried fruits with a spicy citrus character.

Digestif List

Having invested a lot of time, effort and money in our wine selection, and the provenance of ingredients for our menu, we thought it that it was high time that we adopted a similar approach to our spirits selection.

We have moved away from the ubiquitous 'big brands' and spent time discovering artisan producers - these are small in size but of the very highest quality, and as they spend no money on advertising, they offer far better value for money. These distilleries are situated in some of the most famous spirit producing regions of the world.

We are now proud to offer a very special selection of exceedingly fine 'digestifs' for the more discerning diner.
