CHAMPAGNE

Champagne should be enjoyed at all times, not only for special occasions.

The final word should be left to Madame Lily Bollinger, who was head of the Champagne house, who, when asked by a journalist "how she enjoyed drinking Champagne" replied: "I drink it when I'm happy and when I'm sad. Sometimes I drink it when I'm alone. When I have company I consider it obligatory. I trifle with it if I'm not hungry and drink it when I am. Otherwise I never touch it – unless I'm thirsty." Enough said!
