“With 270 labels to choose from,  
this Whisky Bar was just what I needed.”

---

The bar is discrete and full of quiet corners that are warm and welcoming - the perfect place to meet before going out... or coming back.

Black and white photography adorns the walls and gives a nod to historic London moments as you step back in time to savour the world's best whiskies. To accompany the many whiskies on offer, we have created mouth watering nibbles and a whisky and cheese pairing to enhance the flavours of the whiskies.

“When I read about  
the evils of drinking,  
I gave up reading.”
