Gravetye has always had a notable wine list, featuring no less than 500 bins of the very finest old world wines. Today you will of course still find the premium 'old world' wines, but the list does also reflect Gravetye in its more recent guise, classic and traditional but with a little something new to catch your eye. Our team look forward to sharing their wide knowledge with you, catering for modest budgets as well as finding that very special bottle for your supreme enjoyment. We hope you enjoy.
