Inspired by the French Heritage of Franschhoek, palettes of reds, blacks, greys and whites make up **Le Manoir's** very spacious two bedroomed interior, where in typical French fashion, the original Manor House creates a comfortable, home-away-from-home feel.

A powerful energy has been infused in **La Galerie's** avant-garde two bedroom villa. Rich grey walls, gallery lights highlighting abstract art, a selection of sought-after antiques and exclusive contemporary pieces is a fitting tribute to the rich artistic heritage of Franschhoek

La Grange with its 3 bedroom suites and extraordinary double volume living space is inspired by the feel and comfort of a highlands lodge. Warm palettes grace this villa's interior, with stylistic elements reminiscent of a Victorian farmhouse.

A fusion of East and North African aesthetics can be found in the four bedroom **Le Colonial** villa. Here Moroccan tiles and patterned fabrics create a tasteful vibrancy that adds to a truly memorable African experience.
