

Body Treatments

Hydra Herbal Body Indulgence **60 Mins \$75**

The OrganicSpa Hydra Herbal Body Indulgence has been designed to give your skin that summer glow all year round. This 1 hour treatment includes a full body exfoliation with a body brush to remove dead skin cells and encourage lymphatic flow. It is followed by the application of the Aloe Vera and Calendula infused body mask. You will be cocooned to ensure that the intensive ingredients are locked in to encourage maximum hydration. While you are cocooned you will receive a relaxing hair treatment followed by a luxurious body butter applied to the skin.

Clay Renewal Body Cocoon **60 Mins \$75**

The OrganicSpa Clay Renewal Body Cocoon has been designed to detoxify and purify. This 1 hour treatment begins with the application of the Body Salt Scrub to exfoliate and remove dead skin cells. You will experience a relaxing hair treatment massaged into the scalp whilst the mask is enhancing body detoxification. Your treatment will be completed with the removal of the clay mask and the application of the hydrating body butter.

Medi-Spa Treatments

Intense Pulsed Light Treatment (IPL) **Prices Vary**
IPL is a non-invasive light based technology used to permanently reduce unwanted hair and improve many skin conditions. These include sun spots, freckles, superficial capillaries and unsightly discolouration of the skin, to give a more natural, lively, healthier looking you.

Clear + Brilliant **\$250 per session (discount for 4-6)**
Clear + Brilliant is a laser based technology that can help prevent the signs of ageing. It is a non-surgical and non invasive treatment with minimal to no downtime. It can help to address early signs of ageing, improve tone, as well as texture and radiance.

A demonstration video can be found on our website on the Clear + Brilliant page.

Body Sculpturing and Toning **Prices Vary**
Azur Cosmedica can help sculpt and tone your body in 2 different ways. First is Ultrasound Cavitation, which helps to break down fat cells in the body, which can then drain away naturally.

Second is Bipolar Radiofrequency, which helps tighten early signs of loose or sagging skin. It is commonly used to treat the forehead, under the eyes, cheeks, mid-face, jaw line and the neck.

You can find more detailed information on each of these treatments on our website in the day spa section. Our galleries section also has before and after photos for each of these treatments so you can see the results.
