

WAVES SEAFOOD & GRILL

MISSION STATEMENT

***WE ARE AND WILL CONTINUE TO BE A LEADING
PROGRESSIVE FULL SERVICE RESTAURANT PROVIDING
EXCELLENT SERVICE, QUALITY AND VALUE TO OUR
CUSTOMERS THROUGH DEDICATED PEOPLE***

We have been serving our customers with this philosophy since we first opened our doors in 1994. We have always believed that if we could provide a great dining experience with consistent quality and value our business would succeed. When we look at how our business has grown, we feel confident this is what our customers really appreciate. Unlike many other restaurants, our food is prepared only after receiving your order which takes a little more time but most customers feel it is well worth the wait.

Thanks to all of you that have chosen us as your favorite place to dine. We want you to enjoy your dining experience with us, so please let us know how we can continue to improve. If you enjoyed your experience with us please tell others. If you really want to spread the word you can give us a positive rating on Trip Advisor or follow us on Facebook.

Thank You for dining with us!
