

Both self catering cottages are situated in the heart of the Sardinia Bay conservancy, 2km from the beach. We have a country pub and restaurant specializing in weddings, functions and bountiful buffet lunches on Sundays. The surroundings are beautiful with paddocks and space for children to play and a lovely braai area under the milk woods. There is a television in each cottage with one DSTV channel - usually sport, and ETV plus all SABC channels.

Despite being seemingly lost in the countryside and natural bush, we are situated 4km from the nearest shopping centre, 10km from town and 15 kilometers from the international airport.
