Four-silicon Series

LJ-2025NP-F

Specifications:

scope: diameter 2-12

Weight: 4 KG

Power Adapter: 12V, 100A-200A battery

Application areas : machine with good heat, large size need double to perations or work for ship-loading.

Features:

High-power, high current, effective, up to 99.9%; large in size and weight appropriate, easy to use.

1-5PCS 250.00

>5PCS 220.00

9500W

CAIFU -9500

Features:

High-power, high current, effective, up to 98%.

large in size and weight appropriate, easy to use.

the role of range: 2-15 meters in diameter

Applications: machine with good heat, large size need double to perations orwork for ship-loading.

1-5PCS 250.00

>5PCS 230.00

6500W

CAIFU -6500

Features:

High-power, high current, effective, up to 98%.

large in size and weight appropriate, easy to use.

Scope: diameter of 2-10 meters

Applications: machine with good heat, large size need double to perations or work for ship-loading.

1-5PCS 200.00

>5PCS 180.00

Mixer Series

LJ-4025NP-S

Specifications:

Output Power: 25KW-30KW

Scope: diameter 2-30 meter

Weight: 10 kg

Power Adapter: 12V, 200AH battery, lasts about 4-5 hours

Applications: machine with good heat, large size need perations for ship-loading in deep water.

Features:

1-5PCS 400.00

>5PCS 380.00

	<p>High-power, high current, effective, up to 99.9%. Suitable for use in large reservoirs, lakes and deep waters.</p>	
 <p>9500W</p>	<p>CAIFU -9000</p> <p>Features: High-power, high current, effective, up to 98%. large in size and weight appropriate, easy to use. the role of range: 2-16 meters in diameter Applications: machine with good heat, large size need double to perations or work for ship-loading.</p>	<p>1-5PCS 250.00 >5PCS 230.00</p>

NEW version SUSAN-735MP

super-produced version, better performance, more powerful, more efficient
 perfect design, 5W ball fan forced cooling, the choice of six low-resistance power imports MOS, imports of cattle foot 100UF new filter capacitor
 full protection, light weight, easy operation, wide range of applications, filling those who can afford style

IGBT Series

9900W

CAIFU -999

Features:

High-power, high current, effective, up to 98%.
 large in size and weight appropriate, easy to use.
 the role of range: 2-10 meters in diameter

Applications: machine with good heat, large size
 need double to perations or work for ship-loading.
